Support NKU’s Research & Education Field Station (REFS)

Learn about milkweeds & the insects that visit them

Get outside for some fresh air

Milkweeds: useful to humans, alluring to monarchs, poisonous & pretty. Learn more about milkweeds, how to cultivate them, and the insects you can attract with them.

Register for the REFS "Talk & Walk"
by Dr. Maggie Whitson

Marvelous Milkweeds
6 pm-8:30 pm, Wednesday, July 5, at REFS
99 Harrison Court
Melbourne, KY 41059

Class will include:
A PowerPoint seminar, illustrated with local plants & insects
Informational handouts
Weather allowing, a hike to view milkweeds & find milkweed-associated insects

*The trails may be muddy and the fields may be buggy, so wear sneakers or boots and plan to douse with bug spray.

There will also be a few milkweed-related door prizes.

Class size: Limit of 15 people
Fee: a $10 donation to NKU REFS is encouraged

REGISTER** by e-mailing Dr. Whitson, whitsonma@nku.edu

**Please e-mail at least 12 hours before the event to allow response regarding class space.
