Ready for the experience of a lifetime? Join Professors Kathy O’Connor and Angela Lipsitz for this positive psychology study abroad program.

PSY 495: POSITIVE PSYCHOLOGY IN ITALY

In this spring semester course, explore how the Italian Renaissance forged the beginning of many concepts now studied by positive psychology.

Compare and contrast the American and Italian concepts of human flourishing and the good life. Then, over spring break, travel to the ancient cities of Florence, Pisa, Lucca and San Gimignano and explore their contributions to human strengths.
