### I. POLICY STATEMENT

Institutional Statement of Policy:

Students at Northern Kentucky University who are 18 years of age or older are legally adults capable of increasing their ability to manage their affairs. Current Kentucky law and Northern Kentucky University's Administrative Regulations prohibit the possession and use of alcohol by those under 21 years of age. Although the University does not condone violation of the law for persons of any age, neither does it operate in loco parentis with regard to students. The law, however, does require that universities exercise a duty of care in acting reasonably to provide a safe environment for their students. Northern Kentucky University's responsibility toward students is not to control their behavior, but rather to educate them to make appropriate and effective decisions in their own lives.

If members of the Northern Kentucky University community decide to consume alcoholic beverages, it is the policy of the University to encourage responsible use and to discourage the misuse and abuse of alcoholic beverages. The University recognizes that each person, within the limits of law, has the right to decide freely whether or not to consume alcoholic beverages; however, no person has the right, under the influence of alcohol or otherwise, to abuse the rights or endanger the health, welfare, and property of self or others.

The University supports the following statements relating to the consumption of alcoholic beverages by all persons:

1. There are acceptable alternatives to drinking alcoholic beverages.
2. It is acceptable not to drink; each individual needs to make a personal, informed choice.
3. If an individual chooses to drink, he/she should do so responsibly and in moderation. Furthermore, he/she should adhere to state and local laws pertaining to the sale and use of alcohol and University policies and regulations.
4. Consumption of alcoholic beverages should not be the main focus of an event.
5. Accurate information about the consumption of alcoholic beverages is available.
6. Treatment is encouraged for the progressive disease of alcoholism.

Today's students live in a society in which alcohol is widely used and often abused. Attaining legal drinking age does not ensure that individuals will be able to make wise decisions involving alcohol consumption. Northern Kentucky University is committed to providing information in the form of discussions, displays, and programs promoting alcohol awareness and responsible decision-making. Members of the University community will be provided information and planning materials in order to promote positive social activities that do not emphasize the consumption of alcoholic beverages. Furthermore, the University will provide opportunities for learning the skills and developing the attitudes needed to handle alcohol use or non-use in ways which are beneficial to the self and others.
Regulations Concerning Alcoholic Beverages:

1. The possession and/or consumption of alcoholic beverages on the campus of Northern Kentucky University is prohibited except as permitted by law (KRS §222.202, KRS §244.080, KRS §244.085) and institutional policy stated herein. See paragraph 3 below.
