2. Chair Report:

No meeting the first week of March due to Spring Break, one in March (21st) which is deadline for getting items approved for the fall 2024 catalog.

Members are reminded to check the minutes to make sure their attendance was accurately recorded.

Members were queried about the possibility of bypassing the curriculum process for fixing minor errors like correcting course description and SLO typos. The members agreed and we will try this on a test basis. Such corrections still require a Curriculum form to be approved by the proposer and chair and then Richard will force approval the rest of the way.
