Notes:

1. This report is based on employee data as reported to the US Department of Education through the Integrated Postsecondary Education Data System (IPEDS). The information shown is from a “snapshot” of persons on the university’s payroll as of November 1 of the year indicated.
2. The data for 2008 and 2009 are adjusted from the figures originally reported to IPEDS.
3. Prior reports posted on this page included graduate assistants in the part-time staff counts. The graduate assistants are excluded in this report for 2010 forward.
4. IPEDS allows institutions to report department chairs and other faculty with administrative or other non-instructional duties as either faculty or administrative staff. NKU has historically reported academic chairs, faculty advisors, and academic program directors as non-instructional staff on the IPEDS report. These individuals have faculty appointments at NKU and are now being reported as faculty on other internal documents. Therefore, NKU is reporting these individuals as faculty for the 2014 IPEDS report and forward.
5. Per IPEDS instructions, certain groups of employees are excluded from the report. These groups include temporary employees, work study students, and volunteers.
