Source: HR IPEDS

Notes:

1. This report is based on employee data as reported to the US Department of Education through the Integrated Postsecondary Education Data System (IPEDS). The information shown is from a "snapshot" of persons on the university's payroll as of November 1 of the year indicated.

2. Beginning in 2012, Senior Lecturer and Lecturer II were added to academic rank reporting. Beginning in 2017, Clinical Professor, Clinical Associate Professor, Clinical Assistant Professor and Professor of Practice were added to faculty by academic rank reporting

3. IPEDS allows institutions to report department chairs and other faculty with administrative or other non-instructional duties as either faculty or administrative staff. NKU has historically reported academic chairs, faculty advisors, and academic program directors as non-instructional staff on the IPEDS report. These individuals have faculty appointments at NKU and are now being reported as faculty on other internal documents. Therefore, NKU is reporting these individuals as faculty for the 2014 IPEDS report and forward.
