

LGBTQA+ HISTORY MONTH 2022

LGBTQA+ Student Initiatives
Center for Student Inclusiveness

LGBTQA+ History Month was founded in 1994 by Missouri high-school history teacher Rodney Wilson. LGBT History Month provides role models, builds community, and represents a civil rights statement about the contributions of the LGBTQA+ community. In the United States, it is celebrated in October to coincide with National Coming Out Day on 11 October and to commemorate the first and second marches on Washington in 1979 and 1987 for LGBTQA+ rights.
