Board of Regents Meeting  
Northern Kentucky University,  
James C and Rachel M. Votruba Student Union Ballroom, Room 107A  
September 14, 2022

Regent Rich Boehne, Chair, called the regular meeting of the Board of Regents to order at 1:30 pm, Wednesday, September 14, 2022.

**Roll Call:** Michael Baranowski, Richard Boehne, Cori Henderson, Ashley Himes, Daniel Myers, Ken Perry, Nathan Smith, Elizabeth Thompson, Andrá Ward, Kara Williams, Brad Zapp.

Regent Elizabeth Thompson seconded Regent Andrá Ward’s motion to approve the minutes of the June 15, 2022 Board of Regents meeting. *(Motion carried)*

Regent Michael Baranowski seconded Regent Andrá Ward’s motion to approve the minutes of the July 20-21, 2022 Board of Regents meeting. *(Motion carried)*

**Presidential Comments:**  
Thank you Chair Boehne and members of the Board.

**Eva Farris**

I would like to take a moment to honor a very special friend of the university, Eva G. Farris, who passed away last week. Eva and her husband, Oakley, were generous supporters of NKU—and the region—for nearly 30 years.

The names of Eva and her husband Oakley are found in many locations on campus like Steely Library’s reading room, the commons of the College of Informatics and the outdoor amphitheater overlooking Loch Norse.

Hundreds of NKU students have been named Eva G. Farris scholars since the couple established the Eva G. Farris Business Scholarship Endowment Fund in 2002. Their numerous gifts have funded the building cost of Griffin Hall, renovations of the Steely Library archives and the sculpture of young Abraham Lincoln outside of Nunn Hall.

My sympathies go to Oakley, Eva’s family and to the entire NKU community. Eva’s dedication to NKU and continuous support of student success will be dearly missed.
Welcome—New Regents

Thank you, members of the Board and to everyone who is joining the meeting here in person and via live stream. We appreciate your presence here today. I would like to begin by welcoming Rich Boehne back to the chair.

I’d also like to welcome our newest regents Nathan Smith, Brad Zapp and Daniel Myers. Regent Nathan Smith is no stranger to our Board. This is his third term. He is an NKU alumnus with a bachelor’s degree in political science. He first served as student regent during his term as Student Government Association president from 1993 to 1994 and also served on the Board from 2010 to 2016, serving as chair in his last year.

Regent Brad Zapp joins us for the first time this year. He serves on the advisory board for the Center for Innovation and Entrepreneurship. He is a 2000 graduate of the University of Kentucky, where he majored in economics and finance. We are thrilled to have you, and I look forward to working with you this year.

Student Regent Daniel Myers is a senior double majoring in marketing and sports business. He has been in his role as SGA president for a few months now, but I look forward to his service on the Board as well.

Welcome to all of you and thank you for your service.

Finally, I would like to thank Regent Andra Ward for his exemplary service as Chair of the Board for the past two years. On a personal note, I have appreciated his friendship, mentorship and guidance over the past two years.

Grant Garber

At the June Board meeting, we welcomed Jeremy Alltop, VP of Admin and Finance, and Christina Roybal, VP of Athletics. Today, I’d also like to introduce Grant Garber as the new Vice President for Legal Affairs/General Counsel.

Grant joined us on July 18 from Auburn University in Alabama, where he served as a university counsel. He also served as the lead counsel for Auburn University–Montgomery (AUM). In this dual role, Garber performed all the legal work for AUM, a separately accredited institution led by its own executive team. At Auburn, he focused on a wide range of business issues and projects in employment and student affairs.

Prior to his tenure at Auburn University, Grant served as an associate general counsel for Ohio University in Athens, Ohio. He began his career working for law firms in Ohio and North Carolina, where he represented public utilities, universities, and other institutional clients.

He is a graduate of Georgetown University and the Duke University School of Law. I am excited to have him join Norse Nation.

I would like to thank the search advisory committee co-chairs Bonita Brown and Tammy Knochelmann for their service during the search process. I would also like share my gratitude to
Elizabeth Meiszer for her support as interim VP for Legal Affairs/General Counsel.

**Shelly Deavy**

We also have a new member in our Advancement division who just joined us this week. Shelly Deavy is the new assistant vice president of development.

Shelly is no stranger to NKU. She earned her Bachelor of Arts degree in English literature and theater here in 2000, and she also served on the Alumni Board of Directors from September 2016 through May 2022.

Shelly previously served as the assistant vice president of development for the University of Cincinnati Foundation.

And now she will lead a department that just successfully completed the largest campaign in NKU’s history, Further, Faster: The Campaign for NKU. Welcome back, Shelly. We are so happy to have you.

**Return to Campus**

Last month, we welcomed our students, faculty and staff back to campus.

We celebrated the start of another new academic year with the annual Fall Convocation on August 22, and fall semester classes began the following Monday.

The Division of Student Affairs hosted its annual welcome-back series of events called VictorFest, which just ended last week. It brought some much-needed vibrancy back to campus with three weeks of activities for all NKU students. Highlights included Fresh Fusion, a student engagement fair, a karaoke night, Paint Wars and an outdoor movie.

At the Campus Recreation Center, RecFEST was an overwhelming success with more than 740 students in attendance. The Rec Center was full of engaging activities, including roller skating, Bingo, yard games, mini golf and a photo booth. The ice cream food truck "Hometown Swirls" was a hit with the students, serving more than 450 ice cream cones in three hours. I understand our students had a wonderful time.

August 18 was move-in day here when more than 400 staff, students and community volunteers welcomed new student residents to campus. We are at 77 percent occupancy, which is a 16% increase from fall 2021.

Staff and volunteers were happy to welcome students back to campus and provided a wonderful move-in experience. Many have said that it was the best move-in they have experienced at NKU, which set the tone for our residential students. I cannot fully express how wonderful it was to walk around campus and see the comings and goings of the students, faculty and staff who make this university such a wonderful place.
Opportunity House
We partnered with the Brighton Center and Highland Heights on this innovative project last year to turn an old building into a beacon of hope for learners with a specific need.

Last month, 16 people moved into their apartments and started a new chapter and many of us here today just returned from cutting the ribbon to officially open this important partnership.

Amazon Career Choice
NKU was recently selected as an education partner for Amazon’s Career Choice program, providing Amazon’s hourly employees access to nearly all undergraduate opportunities at NKU.

The program empowers employees to learn new skills for career success at Amazon and beyond. The program meets individual learners where they are through a variety of education and upskilling opportunities including full college tuition, industry certifications designed to lead to in-demand jobs, and foundational skills such as English language proficiency, high school diplomas and GEDs.

This partnership aligns with NKU’s learner-focused and regionally engaged mission, providing Amazon hourly employees access to more than 80 undergraduate degree programs and stackable micro-credentials with options for in-person, hybrid and online classes. Full-time employees are eligible for up to $5,250 in tuition, fees and course materials, while part-time employees are eligible for up to $2,625. Employees are eligible for the benefit after 90 days of employment with Amazon.

Amazon’s Career Choice program has a rigorous selection process for third-party partner educators, choosing partners that are focused on helping employees through their education programs, assisting them with job placements and offering education that leads to overall career success.

Enrollment and Degree Management
The annual number of degrees and certificates NKU awards to graduates continues to increase. Despite the challenges of the pandemic, we are up 27% from three years ago.

World’s Universities with Real Impact placed NKU on its Global Top 100 Innovative Universities list!

Universities are evaluated on six categories: industrial application, entrepreneurial spirit, ethical value, student mobility and openness, crisis management, and fourth industrial revolution.

Within each category, each school is then judged on three criteria: innovativeness, implementability and impact.

In addition to the Global Top 100 Innovative Universities rankings, NKU also ranked 17th globally in the category of entrepreneurial spirit.
The Third Way Economic Mobility Index ranked NKU in the top tier of colleges and universities in the U.S. when it comes to economic mobility and the return on investment for low-income students and Pell Grant recipients.

NKU is the only Greater Cincinnati college or university in the top tier. By placing in the top tier, NKU is among the top 20 percent in economic mobility.

NKU has also been awarded a Cornerstone: Learning for Living Planning Grant to fund Becoming a STAR at Northern Kentucky University and Beyond: A Pathway through the Foundation of Knowledge General Education Program.

We are the first institution in the state of Kentucky to have been awarded this nationally competitive planning grant in support of general education. This grant is funded by the Teagle Foundation and the National Endowment for the Humanities.

These are truly remarkable accomplishments.

**Institute for Health Innovation**

IHI was recently awarded a 5-year grant from the Economic Development Administration for a project totaling $1,096,180. This grant will expand the university’s initiatives for health entrepreneurship and innovation through the NKU Collaborative for Economic Engagement, our one-stop shared-services central innovation hub for businesses and entrepreneurs.

These initiatives will leverage the new life science wet lab in Covington, regional economic development agencies and entrepreneurship programs, the region’s anchor health care systems and health-related industries, and NKU’s technical expertise to advance commercialization efforts.

They will increase regional bioscience innovation in NKY through skill development and workforce training in STEM, healthcare and entrepreneurship; applied research for economic development; mentoring for commercialization; and targeted entrepreneurial support programs founders.

Congratulations to Vice President Valerie Hardcastle and her team as they pursue this important work.

**Academic Affairs Updates**

The Haile College of Business officially opened the Verst Group Logistics Hub of Supply Chain Excellence on Aug. 23. The hub, founded through the partnership and generosity of Paul Verst and Verst Group Logistics, is equipped to serve as the heart of the Global Supply Chain Management program at NKU.

It will allow students and alumni the opportunity to connect and engage with businesses and affiliated groups within this growing field.
The Haile College of Business also continues to expand its programming internationally through a new partnership with SCMS Group of Educational Institutions (SCMS) in Kerala, India.

The memorandum of understanding was signed June 13 and will enable students of SCMS to enroll in the award-winning NKU Master of Business Administration (MBA) program as well as its undergraduate degree programs.

Under this program, students will begin their studies on site in India and will have the option of completing their BSBA degree and/or MBA on NKU’s campus.

This partnership supports the northern Kentucky/Greater Cincinnati region’s global aspirations. In an increasingly global world, these partnerships are greatly needed and are critical for a thriving economy.

Congratulations to Dean HassabElnaby and everyone involved in bringing these opportunities to life.

The College of Business welcomed Ryan Goss as director of the Center for Economic Education on August 1. Ryan is leading NKU’s center that increases resources to help K-12 students and local educators learn about economics and personal finance.

In the College of Arts and Sciences, The Center for Integrated Natural Sciences and Mathematics (CINSAM) was awarded a 5-year highly competitive NSF grant totaling nearly $1 million that will help the center design, implement and assess a structure and programming to increase direct participation of URM and transfer students in STEM research and professionalization.

Congratulations to CINSAM director Madhura Kulkarni on this great news.

UniversityHQ ranked NKU’s online history program as the best in the Commonwealth of Kentucky and No. 19 in the country.

Professor Justin Yates won the APA Division 6: Behavioral Neuroscience and Comparative Psychology Early Career Award this year.

SOTA and Regents Professor Ken Jones’ screenplay of Beyond The Moon (co-written with NKU alum Suzanne Fitzpatrick) recently won Best Screenplay at the Global Film Festival Awards.

In the College of Education, Drs. Jaesook Gilbert and Ryan Alverson received a $307,500 grant from the Kentucky Department of Education for conducting an evaluation of the Kentucky Preschool Partnership Grant.

The purpose of the grant is to encourage cooperative partnerships between public school districts and private childcare providers to develop full-day, high-quality programs for at-risk children. Congratulations, Jaesook and Ryan!
ABET, the nation’s most prominent accreditor of programs in science, technology and engineering, announced last month that NKU’s bachelor’s degree in data science will be the first data science program to earn ABET’s rigorous accreditation. NKU was selected to be one of only two universities to undergo this inaugural accreditation process.

Kudos to the faculty and leadership in the Department of Computer Science and the Department of Mathematics & Statistics for helping NKU achieve this distinction.

The College of Informatics has also launched a groundbreaking international partnership with St. Andrew’s Georgian University (SANGU) in Tbilisi, Georgia. Students in Georgia will enroll in NKU’s online master’s in cybersecurity program beginning in October, then take additional coursework at SANGU.

Students from Georgia will visit NKU and the Cincinnati area to learn about U.S. practices in cybersecurity, and NKU faculty will make short annual visits to the campus in Tbilisi to give intensive sessions to students there. This new program originated with the support of the U.S. State Department’s International Visitors Leadership Program.

The College of Health and Human Services received a $1 million gift from St. Elizabeth Healthcare to enhance the health care workforce. This gift will provide scholarships for juniors and seniors in nursing, respiratory care, radiation therapy and radiologic science. The gift will also fund two summer nurse camps and 1.0 FTE faculty in nursing to teach and recruit new students.

While the state benchmark for NCLEX-RN—the licensure examination to test the competency of nursing graduates—pass rate in Kentucky is 80 percent, the BSN program at NKU had pass rate of 97 percent in 2021. Given the significant challenges faced by our faculty, students and clinical partners during the pandemic, this outcome is quite impressive.

In the Chase College of Law, Governor Beshear appointed Professor Alex Kreit to serve as a member of the Kentucky Medical Cannabis Advisory Committee to advise him on possible legal access to medical cannabis. The Advisory Committee hosted a town hall on the NKU campus in July to hear from members of the public on this topic.

Professor Kreit directs the Chase Center on Addiction Law and Policy and is a national expert on substance use and the law.

This summer, Chase hosted a group of incoming first-year law students from diverse backgrounds as part of the residential Kentucky Legal Opportunity (KLEO) program.

Students from Chase, the University of Kentucky and the University of Louisville learned doctrine and legal skills to prepare them for success in law school.

A special thanks to Ashley Siemer, Chase director of admissions and student affairs, for running this program.
The Honors College welcomed Shanda Harris as its new director of NKU Esports. Shanda is an NKU alumna with a degree in sports business from NKU and a Master of Legal Studies from Chase College of Law.

This fall, the Institute for Student Research and Creative Activity launched a pilot of the First Year Exposure Program (FYRE). This program will involve more than 25 students from 13 majors and 36 faculty who will mentor these students on individual projects in the spring. This is a great opportunity for students to explore undergraduate research early in their academic careers. Experiences like FYRE lead to increased retention and graduation rates for students.

A special congratulations to Dr. Shauna Reilly, ISRCA director, on the FYRE pilot launch and her Regents Professorship. Dr. Reilly is a professor of political science at NKU, and she teaches classes in American politics, state politics and political behavior.

For the first time in NKU’s history, four members of the university’s faculty received the Quality Matters (QM) Certification Mark for their online course design:

- Dr. Zach Hart, for CMST 303 Organizational Communication
- Dr. Cristiane Biazzin, for MGT 641 Supply Chain Management and MGT 308 Global Strategic Sourcing
- Dr. Caroline Macke, for SWK 602 Human Behavior & the Social Environment
- And Shannon Alexander, for HSC 410 Healthcare Management

The QM Certification Mark is the internationally recognized symbol of online and blended course design quality and represents an ongoing commitment to creating learning environments that provide learners with a clear pathway to success. The certifications are the result of these professors’ dedication to continuous improvement.

Now that it has become safe to travel internationally again, 149 NKU students studied abroad this summer.

NKU also advanced its internationalization agenda by further increasing and diversifying its international student population. International students submitted applications to NKU in record numbers, which has resulted in enrollment of more than 200 new international students, most of whom are first-time freshmen. This fall, we have representation from 62 different countries.

**Student Affairs Updates**

This summer, 19 students from five area high schools lived on campus for four weeks to learn about college life. They attended classes—ranging from science to Spanish—during the day and participated in several cultural and educational trips, such as college tours and a visit to the Queen City Underground.

Thank you to Upward Bound team for making this fulfilling time for many of our future NKU students a reality.
Dr. Eddie Howard, our VP of student affairs, took over as chair of the Northern Kentucky Chamber’s Diversity, Equity, and Inclusion committee on Sept. 1. NKU is excited about this additional connection between NKU and the northern Kentucky community.

We have a new partnership that will expand the Help-A-Norse initiative when students present with needs beyond the university’s ability to assist. This partnership with Northern Kentucky Community Action Commission (NKCAC) will provide supportive and developmental services that can help students on their pathway toward an NKU credential.

A staff member from the NKCAC will be present on campus twice a month to meet with students who have been referred to the agency so that our students do not have to travel to them. Thank you to Dr. Neisha Wiley for your leadership and to Drs. Gannon Tagher, Ryan Padgett, Bob Alston and UCAP Director Peg Adams for your collaboration and support on this initiative. Finally, the ARP HEERF III grant for mental health initiatives has been extended for a second and final year. With this grant, NKU has waived counseling fees for students for the 2022-2023 academic year, hired two additional contract counselors in Counseling Services, hired a contract advocate in Norse Violence Prevention, and funded the first year of Talkspace—a new EAP benefit through HR that provides chat and televideo counseling for faculty and staff. We are also able to provide another year of Norse Support, which is a one-credit hour course equipping students to provide peer-to-peer mental health support.

**Administration and Finance Update**
Facilities Management continues to support the regional Norse Project Search Initiative, which provides job training opportunities to high school students with disabilities. In August, we were able to hire one of our former interns into a full-time custodial position.

The Office of the Comptroller facilitated implementation of a new four-pay student payment plan, saving the average student more than $200 in charges and evenly spreading out payments across the semester. This has impacted more than 2,100 students so far. This is a significant improvement to the overall student experience.

**Inclusive Excellence**
In partnership with The Kentucky Council on Postsecondary Education, NKU will host the 2022 Higher EDquity Symposium on campus Tuesday, November 15.

This year’s theme is “Recruitment, Retention, Realization: A Road Map for Promoting Equity and Student Success Using Inclusion and Belonging.”

The symposium will provide an opportunity for faculty, staff, students and administrators in higher education to collaborate on issues related to diversity, equity and inclusion.

**Athletics**
I mentioned during our last Board meeting that Athletics received a naming rights gift for the field at the soccer stadium.
This generous gift came from the estate of Ms. Joyce "Brenda" Hoskins. Her philanthropic spirit has created a lasting impact in northern Kentucky and Greater Cincinnati, and we are grateful to her and the entire Scudamore family.

On Aug. 28, we celebrated the official naming of the soccer field to Scudamore Field with Brenda’s twin brother’s son, Richard Scudamore. We were honored to pay tribute to Brenda's life and to Richard's contributions to the soccer community.

Closing
Chair Boehne and members of the Board, that concludes my remarks for today’s meeting.

Joint Finance & Policy Committee Meeting Summary: Board Secretary Williams provided a summary of the Joint Finance & Policy Committee Meeting.

Research, Grants, and Contracts Report (April 1, 2022 through June 30, 2022) (Provost and Executive Vice President for Academic Affairs Matt Cecil).

During the April 1, 2022 through June 30, 2022 time period, 27 grants were awarded. The total amount of money awarded was $1,867,433. For the fiscal year 2021-22, the cumulative total number of grants awarded is 94 totaling $9,437,472.
2. **Fundraising Report (July 1, 2021 through June 30, 2022)** (Vice President of University Advancement Eric Gentry).

   The Fundraising Report summarized fundraising resources committed from July 1, 2021 through June 30, 2022 totaling $18,051,546 in support of the university.

4. **Policies Report** (Vice President for Administration & Finance/CFO Jeremy Alltop and Vice President for Legal Affairs/General Counsel Grant Garber).

   The Policies Report summarized all policies that were approved at the executive-level after proceeding through the campus vetting process. The President and other university administrators determined that approval of these policies by the Board of Regents was not needed per the criteria established in Presidential Recommendation C-7 of the January 2015 regular meeting.

5. **Organizational Changes Report** (Vice President for Administration & Finance/CFO Jeremy Alltop).

   Effective 07/01/2022, the College of Business is merging the Department of Economics and Finance with the Department of Accounting and Business Law to create the Department of Accounting, Economics, and Finance.

1. **Fine Arts Floor Heaving and HVAC Replacement (AP)**

   This Asset Preservation project includes demolition of approximately 16,000 square feet of heaved floor slab on the first floor of the Fine Arts Center, and reconstruction; installation of a new fire alarm system; and, total replacement of the building’s HVAC system. Design work is underway. Construction is set to begin in late spring 2023.

   **Architect:** Luminaut  
   **Engineers:** CMTA, THP and Terracon  
   **Contractor:** TBD  
   **Scope:** $13,240,000  
   **Fund Source:** AP Funds (86.96%) and NKU Match (13.04%)  
   **Anticipated Completion:** TBD

2. **Nunn Hall Floor Heaving/Restrooms and HVAC Renewal (AP)**

   This Asset Preservation project includes demolition of approximately 8,000 square feet of heaved floor slab on the first floor of Nunn Hall, and reconstruction; replacement of the restrooms on all five floors; and, upgrades to the HVAC system. Design work is underway. Construction is set to begin in late spring 2023.

   **Architect:** Luminaut  
   **Engineers:** CMTA, THP and Terracon  
   **Contractor:** TBD  
   **Scope:** $8,800,000  
   **Fund Source:** AP Funds (86.96%) and NKU Match (13.04%)  
   **Anticipated Completion:** TBD

3. **Replace Norse Commons Rooftop HVAC Units (AP)**

   The Asset Preservation pool will fund replacement of the Norse Commons rooftop cooling/heating units. They are in poor condition and overdue for replacement. New units are on order with a fall 2023 delivery and installation expected.

   **Contractor:** Trane  
   **Scope:** $350,000  
   **Fund Source:** AP Funds (86.96%) and NKU Match (13.04%)  
   **Anticipated Completion:** TBD

4. **Power Plant Boiler Controls Upgrade (AP)**

   Asset Preservation funds will be used to replace obsolete controls, linkages and valves on winter steam boilers #2 and #3, resulting in increased energy efficiency and reliability. Bids received are under evaluation.
Power Plant Boiler Controls Upgrade (AP) – Continued

Contractor: TBD
Scope: $380,000
Fund Source: AP Funds (86.96%) and NKU Match (13.04%)
Anticipated Completion: TBD

5. Rebuild Power Plant Cooling Towers (AP)

Six (6) Power Plant cooling towers will be rebuilt using Asset Preservation funds. The scope includes removal and replacement of all fill media, including cleaning and sealing of the towers, and is a critical deferred maintenance need. The low bidder, ServiceTech, received the contract.

Contractor: ServiceTech
Scope: $545,000
Fund Source: AP Funds (86.96%) and NKU Match (13.04%)
Anticipated Completion: Early 2023

6. Business Academic Center Exterior Caulk & Seal (AP)

This project will restore the integrity of the exterior envelope of the building by cleaning and sealing the precast concrete and replacing all caulk joints. The sealant has exceeded its useful life and no longer provides an effective moisture barrier.

Contractor: TBD
Scope: $365,000
Fund Source: AP Funds (86.96%) and NKU Match (13.04%)
Anticipated Completion: TBD

7. Replace Callahan Boilers #2 & 3

Heating boiler #1 at Callahan Hall was replaced earlier this year. Bond funds were used to replace the two remaining heating hot water boilers. The boilers have been installed and piping is complete. Start-up and testing are underway.

Contractor: Alpha Mechanical
Scope: $225,000
Fund Source: Bond Funds
Completion: Fall 2022
8. **All-Gender Restroom Renovations**

A project to create four all-gender restrooms is nearing completion. One much-needed single-person, all-gender and ADA compliant restroom has been created on the third floor of the Student Union. Available funding allowed minor modifications to an existing small restroom on Nunn Hall’s fifth floor and to two small restrooms on the fourth floor of Steely Library, creating similar single person, all-gender restrooms. Similar restrooms are available in Griffin Hall, the Albright Health Center and HIC.

- **Design:** In-House
- **Contractor:** Triton Services
- **Scope:** $75,000
- **Fund Source:** Deferred Maintenance Project Pool
- **Anticipated Completion:** Fall 2022

9. **UC Plaza Drain and Plaza Repair**

This project includes replacement of deteriorated drains and drainpipes under the elevated plaza on the east side of the University Center and replacement of a large area of poor-condition top concrete slab in the same area. Construction is underway and the walkway will remain closed until work is complete.

- **Engineer:** THP
- **Contractor:** SSRG
- **Scope:** $100,000
- **Fund Source:** Deferred Maintenance Project Pool
- **Anticipated Completion:** November 2022

October 28, 2022

10. **Replace Lake Pavers**

This project will fund replacement of crumbling pavers on the walkway between the Fine Arts Center and Loch Norse. The work is underway and scheduled to be complete this fall.
Replace Lake Pavers – Continued

Structural Engineer: THP
Contractor: Tumlin Construction
Scope: $100,000
Fund Source: Deferred Maintenance Project Pool
Anticipated Completion: Fall 2022

September 28, 2022

11. Administrative Center Electrical Switchgear Replacement

Switchgear equipment distributes a building’s incoming electric power to its internal electrical systems. Lucas Administrative Center’s high voltage switchgear has reached the end of its useful life. Given the location of the campus data center in the Administrative Center, a risk of switchgear failure makes this a critical project. The switchgear installation will occur during holiday break 2022-2023.

Engineers: KLH
Contractor: Mayers Electric
Scope: $382,000
Fund Source: Deferred Maintenance Project Pool
Anticipated Completion: January 2023

12. NPHC Plots

The NKU chapter of the National Pan-Hellenic Council, the governing body for the nine historically African American collegiate Greek- lettered organizations, is working to create a monument to honor the chapters currently on campus while acknowledging the Divine Nine of the National Pan-Hellenic Council.
NPHC Plots – Continued

Brownstone Design led the design process, which included student input. The site located on the north side of the Student Union near the West Quad, alongside a major pedestrian path, will include donor recognition pavers, an etched monument stone and aluminum banners.

Pavers and bricks are installed and the granite monument stone is in transit from Africa. The permanent metallic banners are in place, and landscaping is in process. A completion date cannot be set until the monument is delivered.

Design: Brownstone Design
Contractor: Tumlin
Scope: $45,000
Fund Source: Innovation Challenge Funds/Donor Funds/Student Affairs
Anticipated Completion: TBD

13. Various Upgrades at Callahan Hall

Bond funds and housing operating funds have been set aside to accomplish various upgrades at Callahan Hall:
1) Completed: Interior painting.
2) Completed: Removal of poor-condition asbestos flooring in the stairwells; repair and sealing of concrete stair treads; and, application of non-slip tape on stair nosings.
3) Construction underway: Renovation of H-Wing first floor to improve the appearance; to relocate the information desk closer to the entrance; add card readers to increase security; and, to create an exercise room. In addition, 14 sets of double doors to the wings will be replaced. An early 2023 completion is anticipated.
Various Upgrades at Callahan Hall – Continued

4) In planning: Renovation of Callahan’s exterior courtyard to create an attractive and maintainable space for student engagement.
5) In planning: Repairs to the building’s exterior façade, to correct issues with window lintels and bricks above the lintels.

Each of these improvements were separate projects and work started in spring 2022. Work which impacts building occupancy was complete prior to the start of the fall semester.

Design: In-House, CMTA, Brown+Kubican, Hub+Weber
Contractors: Radius Construction (Wing Door Replacement); Spectra Flooring (Stairwells); and, Winner’s Circle Painting (Interior Painting)
Scope: $1,100,000
Fund Source: Housing Bond Funds/Housing Net Position
Anticipated Completion: Spring 2023

14. Roof Replacements at Kentucky Hall, Commonwealth Hall, and University Suites

The shingle roofs and associated metal copings on Kentucky Hall, Commonwealth Hall, and University Suites needed life-cycle replacement. Work began in late July on Kentucky Hall, and University Suites and Commonwealth Hall followed. The new roofs and related metal trim repairs were completed in October.

Design: In-House
Contractor: Radius Construction
Scope: $440,000
Fund Source: Housing Bond Funds/Housing Net Position
Anticipated Completion: October 2022
15. **Light Pole Replacement**

Although numerous street and parking lot light poles on campus are in need of replacement, 16 streetlights are a priority replacement need. Funding from the university’s Deferred Maintenance Pool has been set aside for this purpose. Materials are on order and delivery is expected in the November-December timeframe, and installation will follow.

**Contractor:** Davis H. Elliot Company, Lexington  
**Scope:** $275,000  
**Fund Source:** Deferred Maintenance Project Pool  
**Anticipated Completion:** Fall 2022
OFFICE OF RESEARCH, GRANTS, AND CONTRACTS REPORT

POLICIES REPORT

The following policies were approved at the executive level after proceeding through the campus vetting process. The President and other university administrators determined that approval of these policies by the Board of Regents was not needed per the criteria established in Presidential Recommendation C-7 of the January 2015 regular meeting:

The Board of Regents shall approve the following criteria to determine if a university policy requires Board approval:

- The policy identifies a major university strategic initiative;
- The policy involves the Board’s fiduciary responsibilities;
- The policy is associated with an issue of significant risk; and/or
- The policy must be approved by the Board for legal and compliance purposes

The criteria will be interpreted by the President, who may seek consultation from General Counsel or other university administrators. All new or revised university policies that meet the above criteria will be submitted to the Board for approval.

For efficiency purposes, the administration shall have the authority to make technical or editorial revisions for Board approved policies. A technical or editorial change is a non-substantive change such as the correction of statutory or regulation references, contact names, position titles, department names, office locations, email or web addresses, spelling or grammatical errors, and the like.

Copies of these policies are available upon request.

PARENTAL LEAVE

This new policy outlines the criteria for paid parental leave. It formalizes the interim policy announced in President Vaidya’s November 2021 campus communication.

MEDICAL LEAVE

This policy describes the requirements and processes for the various types of medical leave available to full-time NKU employees. The purpose of this revision is to ensure compliance with current Family Medical Leave Act laws and ensure current practices are documented. It also references the new Parental Leave policy.

PERFORMANCE EVALUATION-STAFF

This policy describes the performance evaluation process for staff employees. These minor revisions include editing/formatting (including a name change from “Staff Performance Evaluations”) and update the policy to reflect current practice, including the 30-, 60-, 90-day evaluations of probationary staff employees.

ONBOARDING

This policy describes the process for onboarding new employees. It updates and renames the “New Hire Orientation” policy to reflect current processes and practices, including online orientation.
RECOMMENDATION:

That the following academic affairs personnel actions receive Board of Regents approval:

Presidential Recommendation:

RECOMMENDATION:

The Board of Regents hereby approves the following naming actions:
(1) The naming of an endowed scholarship for Chase College of Law students who demonstrate high academic promise and passion for the law. There shall be a preference for female students. “Honorable Candace J. Smith Endowed Scholarship”
(2) The naming of a scholarship to support students in business-related, sciences, technical, and/or liberal arts majors at Northern Kentucky University who have a GPA of 3.0 or higher. “The Game Changers Scholarship Program”
(3) The naming of an endowed chair faculty position in which the faculty member will oversee, support, and direct several aspects of Chase College of Law’s program of legal education as it relates to ethical conduct and social justice in legal education and the practice of law. “David and Nancy Wolf Chair in Ethics and Professional Identity”
(4) The naming of an endowed scholarship to support students with declared majors in a medical or health field who are in their sophomore year (or above) and have maintained a cumulative GPA of 3.0 or higher. “Ben and Marie Lauer Family & Paul Lauer Endowed Medical Profession Scholarship”

BACKGROUND:
Naming actions in connection with private gifts are governed by NKU Administrative Regulation-II-4.0-2, section 2.2. NKU’s Naming Policy provides for naming opportunities in consideration of a major contribution to the university. The policy allows flexibility in determining the level of contribution appropriate for each naming action, enabling each gift to be judged on its own merit.

After careful consideration by university officials and unanimous support by the University Naming Committee, it was recommended to offer the following naming recognitions.

(1) The university has received a gift that will support a scholarship for students enrolled in the Salmon P. Chase College of Law. The scholarship shall be awarded annually to students who demonstrate high academic promise and passion for the law. There shall be a preference for female students.

   Donor: Candace J. Smith
   Naming Gift: $30,000
   Naming Recognition: Honorable Candace J. Smith Endowed Scholarship

The Honorable Candace J. Smith, a 1992 Chase graduate, began her service as a United States District Court Magistrate Judge in the Eastern District of Kentucky, at Covington, in March 2010. She was appointed to a second term in March 2018. At NKU, she has been a member of the Chase Alumni Council and the Chase Board of Visitors. She has also been a member and officer of the independent Chase College Foundation Board of Directors and the Chase American Inn of Court Executive Committee.
The university has received a gift that will support a scholarship for students in business-related, sciences, technical, and/or liberal arts majors at Northern Kentucky University. Eligible students must have a GPA of 3.0 or higher. In the spirit of supporting a racially and ethnically diverse student population and to strengthen the pipeline of diverse talent entering their professions, NKU endeavors to consider applicants from underrepresented demographic groups and/or first-generation college students. Preference will go to female students.

- **Donor:** The Kroger Co. Foundation
- **Naming Gift:** $5,000
- **Naming Recognition:** The Game Changers Scholarship Program

As part of Kroger and P&G’s LPGA partnership, they developed the “Game Changers” Platform to champion women in business and sports. The intent of this program is to accelerate the diverse, female game changers through strategic areas including The Game Changers Scholarship Program.

The university has received a gift that will create an endowed chair faculty position in Chase College of Law. Law schools in general, and Chase College of Law in particular, are well-positioned to provide guidance, inspiration, and instruction to prepare future lawyers to serve justice, fairness, and truth throughout their legal careers. The Wolf Chair will name a Chase faculty member to the honored role who will support and provide education and advocacy for the elevation of these core principles in the legal profession, and by extension, in our society. The Wolf Chair will be supported by the David and Nancy Wolf Endowment, a fund dedicated to supporting the Wolf Chair as well as ancillary aspects of the Chase program of legal education devoted to instruction in ethics and professionalism in the practice of law including enhancements to pro bono and public interest service by Chase students, training in diversity, equity, inclusion, and belonging recruitment of an ethicist-in-residence, and development of lectureships in ethics and professional responsibility.

- **Donor:** David and Nancy Wolf
- **Naming Gift:** $1,000,000
- **Naming Recognition:** David and Nancy Wolf Chair in Ethics and Professional Identity

David and Nancy Wolf are longtime and devoted advocates for advancing principles of inclusion, equity, and social justice, having shepherded several programs supporting education pathways to understanding and success. David Wolf, a 1965 graduate of Chase College of Law, has utilized his legal education to shape his own professional achievements and identity and seeks to assist future attorneys as they develop their individual ethical and professional identities.
(4) The university has received a planned gift that will support an endowed scholarship (up to full tuition) for students with declared majors in a medical or health field. The selected student must be in their sophomore year or above and have a 3.0 cumulative GPA.

   Donor: Paul L. Lauer
   Naming Gift: $500,000
   Naming Recognition: Ben and Marie Lauer Family & Paul Lauer Endowed Medical Profession Scholarship

Paul L. Lauer is an army veteran and worked for 20 years for NKU facilities and maintenance. He hopes that this gift will fund students academically intending to become successful healthcare professionals and make a difference in the quality of life in our local community.
RECOMMENDATION:

That the Board of Regents approve the following resolution establishing and approving the revised Fiscal Year 2022-23 Annual Unrestricted Operating Budget for Northern Kentucky University.

Recommendation relating to revised Fiscal Year 2022-23 Budget, Northern Kentucky University, Board of Regents, November 9, 2022:

Be it resolved that, upon due consideration of the recommendation of the President, the revised Annual Unrestricted Operating Budget for Northern Kentucky University is hereby established and approved in an amount totaling $277,400,000 for the fiscal year beginning July 1, 2022 and ending June 30, 2023. This revised budget authorization reflects an increase of $5,900,000 (2.2%) over the previously approved FY23 budget.

At its meeting on June 15, 2022, the Board approved an Annual Unrestricted Operating Budget of $271,500,000. Subsequent review of actual and projected expenses has indicated a need for additional budgeted funds. This authorization increases the use of non-recurring net position from the previously approved $5,500,000 by an additional $10,400,000 for a total of $15,900,000 to meet the projected gap between planned revenues and expenditures and bridge our repositioning plan.

The President is authorized to approve adjustments between the budget authorizations when such action appears, in his judgment, to be in the best interests of the University. However, any adjustment that alters this revised Annual Unrestricted Operating Budget authorization of $277,400,000 shall be submitted to this Board for approval at its next regular meeting.

In the event that unrestricted sources of funds are not sufficient to equal projected unrestricted expenditures, the President shall take appropriate measures to reduce budgeted expenditure authorizations by amounts sufficient to ensure that unrestricted expenditures do not exceed authorized unrestricted sources of funds.

In the incurrence of financial obligations and the expenditure and disbursement of University funds available under this authorization, all University units and personnel or agents shall adhere to and observe applicable laws, regulations, and policies of both the Commonwealth of Kentucky and the University, which govern and control the expenditure of funds. Administrators of the various units shall not authorize nor incur any financial obligation more than the budget authorizations.
RECOMMENDATION:

That the Board of Regents approve the offering of a voluntary separation program for eligible tenured and tenure-track faculty of Northern Kentucky University.

BACKGROUND:

As part of its Repositioning NKU strategy, the institution has determined that it is appropriate to offer a voluntary separation program for eligible tenured and tenure-track faculty. Eligible faculty may voluntarily separate from employment at NKU in exchange for an incentive payment and compliance with other program terms established by the President and his designees.

The program will benefit eligible faculty who are considering a voluntary separation, whether in order to retire or pursue other opportunities, and the institution, by facilitating workforce and budget reallocations and investments in accordance with NKU’s mission, strategic goals, and other institutional needs.

To be eligible to participate in the program, the employee must have a full-time tenured or full-time tenure-track faculty appointment. Individuals with such appointments who serve in administration roles also are eligible for the program. Non-tenure-track faculty, part-time faculty, and staff are not eligible for the program.

Eligible faculty who separate as part of the program will receive a lump sum, one-time payment of 80% of their base salary, not to exceed $100,000, and an additional lump sum of $10,000, in recognition of health care costs. In addition, dependents of separating faculty may participate in NKU’s tuition waiver program for up to two years after separation.

Separations approved by the President as part of the voluntary separation program described herein shall require no further approval by the Board of Regents.

The President and his designees are authorized to create program documents and establish other terms and conditions of the voluntary separation program that are consistent with this authorization, in the best interests of the institution, and in compliance with applicable laws.
RECOMMENDATION:

That the Board of Regents approve the discontinuation of Informatics+.

BACKGROUND:

On November 13, 2019, the Board of Regents authorized the creation of Informatics+, a center located in the College of Informatics. Informatics+ was expected to serve as an outreach and engagement unit of the College, by fostering connections among industry and the institution and its students, by applying the College’s talent and expertise to create solutions that meet real-world business challenges, and bring in significant revenue to support its growth.

While the center has established linkages between the College and industry partners, it has fallen short of generating the revenue needed to support its operations. Discontinuation of Informatics+ will allow greater alignment and stronger coordination of outreach efforts consolidated within ENTERprise NKU. The discontinuation also will generate revenue, create savings and eliminate duplicative services.

The Board of Regents retains authority to authorize the establishment and discontinuation of centers and schools, pursuant to Kentucky Revised Statutes 164.350 and Article II, Section 4, of the Board’s bylaws.

For the reasons described above, the Board of Regents hereby approves the discontinuation of Informatics+ to be effective on or before December 31, 2022.
