RE: Contract Award Determination for
RFP NS-32-12 Elevator Cylinder Replacement

DA: April 16, 2012

In accordance with KRS 45A.085(6), after reviewing the responses for this RFP it has been determined by the reviewing committee and Procurement Services that Advanced Elevator has provided the proposal that offers the best value to the university.

Advanced Elevator has an excellent proven track record with favorable references, a reasonable financial proposal for the services requested and was the only firm that met the statutory licensing requirement, KRS 198B.4009, to work as an elevator contractor or mechanic in the Commonwealth of Kentucky.
