Dear **NKU Cardholders:**

**Northern Kentucky University**, in partnership with U.S. Bank, is excited to announce the deployment of AccessOnline throughout our University. U.S. Bank AccessOnline is a new, exclusive web-based electronic program management tool that provides our university's cardholders with quick access to their complete account information, enabling individuals to view their account activity and billing statements online!

In addition to making individual account management easier, AccessOnline provides significant benefits to our entire organization. AccessOnline will aggregate our purchasing information into one comprehensive database, enabling our company to better manage purchasing activities and drive cost savings.

By now, I am sure you are anxious to begin utilizing AccessOnline, but first you must register. AccessOnline self-registration empowers you to create your own User ID and Password and is easy to use. Just like other AccessOnline features, self-registration is intuitive; however, to ensure a positive experience, here are a few helpful hints:

- Go to: <https://access.usbank.com> and click "Register Online"
- When asked to enter your company short name, please use **NKU**
- Type your 16-digit account number in the "Account Number" field, without spaces or dashes (e.g., 1234567891234567)
- Select the month your account expires from the "Account Expiration Date Month" drop-down list
- Select the year your account expires from the "Account Expiration Date Year" drop-down list
- Type your account's billing address ZIP/postal code (e.g., 41076) in the "Account ZIP/Postal Code" field
- Click "Register This Account" if you have only one account to register. If you have more than one account to register, click "Additional Account"
- The Licensing Agreement page displays for your review. If you agree, click "I Accept" to continue.
- User IDs must be 7 to 12 characters in length and can be alpha and/or numeric. User IDs must also be unique; try to think of a distinctive ID (i.e. if your name is John F Smith try the User ID jofsmith3)
- Passwords must be 8 to 20 characters in length, with at least one alpha and one numeric character
- User Verification authenticates your account if you forget your User ID or Password
- Complete the contact information fields; Fields with a red asterisk are required
- Phone and Fax Number fields should not include dashes, hyphens, parenthesis or spaces in (i.e. 6121234567)
- When you are finished entering **ALL CARDS** you wish to register, click "Continue". If you need to register another card after clicking "Continue", you must contact Holly Vasquez at 859-572-5171 or 859-572-5265 or email [vasquezh1@nku.edu](mailto:vasquezh1@nku.edu) for assistance.
- If any of your entered information is not valid, the system will return an error message. You have three attempts to correct the information. If all three attempts fail, the account with incorrect information will be locked out from self-registration. You will need to contact U.S. Bank Customer Service at 1-877-887-9260 to unlock your account

**Congratulations!** You are now registered to enter AccessOnline. To maximize your online experience, I encourage you to check out the system's web-based training materials prior to utilizing AccessOnline. This highly intuitive web-based training experience will help you get the most out of this new tool. To access the U.S. Bank online training tools go to <https://wbt.access.usbank.com> and enter the following password: **trujillo**.

If you have any questions, please call me at 859-572-5171 or the U.S. Bank Customer Service Desk at 1-877-887-9260.

Sincerely,
