## Data Notes / Source Citations

**NOTE:** Some colleges have updated their student debt figures since submitting them to Peterson's. These changes are noted on the Updates to Student Debt Data page (<http://college-insight.org/content/load/id/18>) and are reflected in the data for individual colleges. However, data for groups of colleges (e.g., state, national, or sector data) will not reflect these updates until we receive and process updated data from Peterson's in fall 2013.
