

STUDENT AFFAIRS

FALL 2021 CALENDAR OF EVENTS

When you become a Norse, you join a community of students from all over the world. But our students receive more than just a great education. Your time here will shape you, inspire you and help you become a better version of yourself.

Outside of the classroom, NKU is buzzing with activities and events. And it's easy to get involved with more than 200 student organizations on campus. If you don't find one that suits you, start one! Our campus community offers you endless opportunities to build lifelong skills, get involved and create lasting relationships.

Start exploring and see why you belong here at NKU.

DEAR STUDENTS,

Welcome to Northern Kentucky University! We hope that your experience here is filled with lifelong memories, lasting friendships, and a spirit of tradition that will solidify your membership in the Norse Nation.

Our goal within the Division of Student Affairs is to provide the best experience that is humanly possible. We work to do this by staying true to our mission and helping students: find their **passion**, develop a sense of **belonging**, learn to **respect** the point-of-view of others, appreciate the importance of **service**, show **integrity** when dealing with others and always celebrate differences by supporting **diversity, equity** and **inclusion**.

The Student Affairs Calendar is designed to provide a comprehensive view of all programs, activities, workshops and events sponsored by departments and offices within the Division of Student Affairs. With the calendar you will find descriptions of signature events, photos of guest speakers and you might even see yourself. Use both the printed and online versions of the calendar to guide your participation, be it on or off campus.

Your college years will fly by so take the time to savor every moment and remember that Student Affairs will be here to help you every step along the way.

Again, welcome to NKU and Go Norse!

Dr. Eddie J Howard, Jr.
Vice President for Student Affairs

nku.presence.io/

(859) 572-6514

- Northern Kentucky Leadership Institute
- Freshman Service Leadership Committee
- Leadership Mentors
- Norse Leadership Society
- Leadership University
- Victor's Volunteers

STUDENT SUCCESS CENTER (UC 1ST, 2ND & 4TH FLS.)

nku.edu/success

The Student Success Center serves to equip and empower students for success. The Center encompasses the following resources:

- Career Services - encourages students to explore career options that fit their strengths and interests
- First Year Programs - provides students the opportunity to experience their first college year in an environment

that promotes active learning, collaboration and personal development

- Health, Counseling and Student Wellness - helps students achieve and maintain optimal levels of physical, mental and emotional functioning
- International Students and Scholars - serves as a resource for international students coming to NKU from around the world
- Learning PLUS - provides tutoring and a math and writing center
- Norse Advising - advises incoming students who aren't quite sure what they want to study
- Norse Tech Bar - on-demand technology assistance
- Student Achievement Center - works closely with first-generation college students as well as assisting students in creating action plans and support networks to overcome obstacles to college success
- Testing Services - ensures students with disabilities have access to the accommodations they need
- TRiO - Student Support Services provides academic, career and financial coaching for first-generation college students
- University Connect and Persist (UCAP) - empowers students to create action plans, establish success networks, develop skills and identify resources that help them connect and persist at NKU
- Veterans Resource Station - ensures a smooth transition for our student veterans

TECHNOLOGY // NORSE TECH BAR (UC 252)

servicedesk.nku.edu // helpdesk@nku.edu

- High-end printing services including posters, lamination and cutting
- Technology questions answered individually or via group trainings
- Hardware repair from licensed vendors
- Equipment lending - students "try before they buy"
- High-tech collaboration areas for work and more
