

## NKU COMMUNITY CARE TEAM

*If an incident is an emergency, contact the Northern Kentucky University Police Department at 911 or 859-572-7777.*

### **Purpose:**

The NKU Community Care Team is the behavioral intervention team for Northern Kentucky University and is interdisciplinary in its makeup. The NKU Community Care Team members provide guidance to the Community Standards and Care (CSC) on reports received related to students experiencing academically or socially disruptive situations and concerns. The NKU Community Care Team meets regularly during the academic year to provide guidance to CSC staff on these reports and to advance collaborative solutions for the NKU campus community.

### **Charge:**

- Maintain a safe campus environment that is conducive to student success while balancing its concern for individual students
- Use reasonable discretion, based on a record of relevant materials, to make informed decisions that are in the best interest of the student(s) involved and the NKU campus community
- Promote greater engagement of the University community with efforts to report and advocate for students in need of NKU community support
