

# Interview Prep by INTERVIEWING.com

An online mock interview platform that helps you practice for any interview: jobs, co-ops/internships, or graduate/professional school admission.

*Grab a computer or a tablet with a webcam and get started!*

## Steps:

1. Go to [nku.edu/careerservices](https://nku.edu/careerservices) and click “Students” and then “Job Search Resources.”
2. Click “Interview Preparation,” then click “Interview Prep by Interviewing.com” and sign on with your NKU ID and password.
3. You may also access it at: [one.nku.edu](https://one.nku.edu).
4. Select “Conduct an Interview.” A prompt will then guide you through the process.
5. Choose one of the pre-made interviews or customize to create your own unique experience.
6. You must **allow pop ups** for it to work correctly!
7. Once you complete an interview, **watch the video of yourself** and/or email it to faculty, staff, family or friends for feedback.

NOTE: You can use Interview Prep as much as you would like and choose different interview questions each time. You can also save responses and review them later.
