Five Tips for Describing Experiences on Your Resume

BY EVA SMITH | PEER RESUME REVIEWER

It may be October, but that doesn't mean it has to be scary to write descriptions for your experiences on your resume! Remember these five tips:

Tip #1: List all of your experience descriptions in bullet points, starting with an action verb.
Tip #2: Avoid using personal pronouns, like I or my.
Tip #3: Describe your current experiences in present tense and your past experiences in past tense.
Tip #4: Write about the things you did that demonstrate skills that are relevant to the job you are seeking.
Tip #5: Include numbers and other supporting details that help the reader understand what you accomplished in your positions.

For assistance, you can submit your resume for review at resumehelp@nkuedu or schedule an appointment by calling Career Services or scheduling online using Handshake (nkuedu/joinhandshake.com).
