## Cincinnati Public School District

**Education** **Government** [www.cps-k12.org](http://www.cps-k12.org)

Serving 34,000 students (preschool to 12th grade) in 55 schools spread across a 91-square-mile district in southwest Ohio, Cincinnati Public Schools is Greater Cincinnati's largest school district and Ohio's third largest. Cincinnati Public Schools ranks among the top 2 percent of Ohio districts for students' learning growth and offers families high-quality school choices and academic programs. The district's innovative approach to education, its investment in effective and caring teachers, and vast array of collaborative partnerships have accelerated school performance to the highest level in decades – ensuring that students in preschool to 12th grade thrive and graduate prepared for successful lives in the 21st century. Three CPS high schools — Walnut Hills High School, Withrow University High School and Clark Montessori High School — are ranked among the top 1,000 public high schools in the United States, according to national magazines. In 2010, the U.S. Department of Education awarded Robert A. Taft Information Technology High School a National Blue Ribbon for excellence.

## Dayton Early College Academy

**Education** **Non-profit** [www.daytonearlycollege.org](http://www.daytonearlycollege.org)

The Dayton Early College Academy is singularly focused on preparing urban learners to go to college and graduate. DECA is an early college high school that offers Dayton Public School students a one-of-a-kind opportunity to excel academically and succeed in their goal of graduating from college. We offer a high-performing alternative to Dayton's urban learners who want a bright future and are willing to work hard to achieve it. What distinguishes DECA from most urban high schools is the "we go to college" mindset of our students.

## Dayton Independent School District

**Education** **Government** [www.dayton.kyschools.us](http://www.dayton.kyschools.us)

The Dayton Independent School system serves the small river community of Dayton, Kentucky. Nestled along the Ohio River, Dayton Independent Schools is one of five urban city schools along the Ohio River in Kentucky across from Cincinnati. The school district has a population of nearly 1,000 students (Preschool through 12th grade). The local community is rich in history and is on the cusp of a major real estate development along its riverbank. There is a strong sense of local pride and support from the community. Both schools in Dayton are Title I schools with a Youth Service Center located at the high school and a Family Youth Resource Center located at the elementary school. Our student to teacher ratio is approximately 20 to 1.

## Owen County Schools

### Education

### Government

[www.owen.kyschools.us](http://www.owen.kyschools.us)

Owen County is a rural community filled with rich tradition with a population of approximately 10,481 residents. It is located in the heart of the "Golden Triangle" formed by Lexington, Louisville, and Cincinnati. It offers a quiet, rural atmosphere while being within an hour of three major cities, cultural attractions, international airports, and interstate highways. In addition, the county has a wealth of natural beauty with numerous lakes, streams and rolling ridges. Owen County Schools follows the same rich tradition as the community. It is home to three schools: Owen County Elementary School (PreK-4), Maurice Bowling Middle School (5-8), and Owen County High School (9-12). The district employs approximately 260 people, including certified staff, paraprofessionals and professional/administrative support personnel. The student population is approximately 1,888 students K-12.
