

# Change in Net Price

2011-2015

*Data source: College Scorecard via IPEDs. The average annual total cost of attendance including tuition and fees, books and supplies, and living expenses, minus the average grant/scholarship aid. It is calculated for all full-time, first-time, degree/certificate-seeking undergraduates who receive Title IV aid. For academic-year institutions, net price represents an average of all programs and includes only undergraduates who first enrolled in the fall term, pay in-state tuition, & receive Title IV aid. The total cost of attendance depends on whether undergraduates live on campus, off campus (not with family), or off campus (with family).*
