

PURCHASING AND REGISTERING TURNINGPOINT EQUIPMENT

Visit account.turningtechnologies.com, and enter your email address and click to Create an Account

When you click "Create Account" you will be sent a verification email. Click on the link provided in the email.

You will be asked to choose your role. Select Participant, then click next.

Complete the Account Information window, then click next.

The screenshot shows the 'Create Account' window with a progress bar at the top indicating four steps. Step 2, 'Enter Account Information', is the active step. The form contains the following fields: 'First Name' with the value 'NKU', 'Last Name' with the value 'Student', 'User ID' with the value 'studentn1', 'Market' with a dropdown menu set to 'Higher Education', and 'Country' with a dropdown menu set to 'United States'. Below these fields is a checkbox labeled 'By checking this, you agree to comply with the [End-User License Agreement](#) and [Terms of Use](#)'. A 'Next' button is located at the bottom right of the form.

Select a password, then click next.

The screenshot shows the 'Create Account' window with the progress bar now at Step 3, 'Protect your Account'. The form has two password input fields: 'Password' and 'Confirm Password', both filled with dots. To the left of the 'Password' field are four validation checks, all marked with green checkmarks: 'At least 8 characters long', 'Contains at least one lowercase letter', 'Contains at least one uppercase letter', and 'Contains at least one number'. To the right of the 'Confirm Password' field is a single validation check, also marked with a green checkmark: 'Matches the confirm password'. A 'Next' button is located at the bottom right of the form.

Once your account has been successfully created, select redeem a license or register a device.

A Turning Account license is REQUIRED for using your device. If you have purchased a new clicker with license from the NKU Bookstore, you can apply that code to your newly created account.

Click Licenses from your Turning Technologies Account Dashboard.

If you have a license code, enter it on this page. If you do not have a code, click the button to visit the Online Student Store. NKU's school code is NKU1

On this page, you have 5 different purchasing options All of the options allow for Smart Phone App use. You can choose from:

- One Year Turning Account License - \$15
- Two Year Turning Account License - \$20
- Four Year Turning Account License - \$32
- Bundle: One Year Turning Account License AND Clicker with QWERTY Keyboard - \$40
- Bundle: Four Year Turning Account License AND Clicker with QWERTY Keyboard - \$55

Once you have made your decision on which option is best for you, click that option, and then "Add To Cart"
Click Review Selections.

When you are ready to checkout, click Checkout.

Enter your billing information and click Review Order.

After reviewing your order, click Complete Purchase.

After the purchase is made, a confirmation screen is displayed.

Click Access TurningPoint Account to be redirected to your Turning Account.

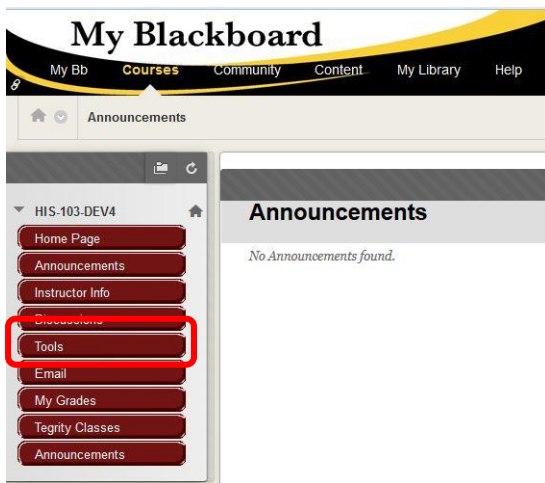

The screenshot shows the 'License' page of a TurningPoint account. At the top, there is a navigation bar with links: 'Response Devices', 'Enroll', 'License' (highlighted), 'Account', and 'Sign Out'. Below the navigation bar, there are two main sections. The left section is titled 'Turning Account' and contains a cloud icon, 'Type : Account', and 'Expiration Date : Aug 14, 2015'. The right section is titled 'ResponseWare' and contains a stylized 'R' logo, 'Type : Presentation', and 'Expiration Date : Aug 14, 2015'. A 'Purchase' button is located at the bottom right of the 'ResponseWare' section.

If you ordered a physical clicker, wait for it to arrive in the mail. Once you have received it, add the DeviceID to your account under the "Response Devices" Tab, Click "Add."

The screenshot shows the 'Manage Response Devices' page. At the top, there is a navigation bar with links: 'Response Devices' (highlighted with a red box), 'Enroll', 'License', 'Account', and 'Sign Out'. Below the navigation bar, there is a large image of a 'ResponseCard NXT' device. To the right of the image, there are two sections: 'ResponseWare ID' with the value '1100205A' and 'Device (ResponseCard) ID' with the text 'No Records to Display'. At the bottom right, there is an 'Add' button highlighted with a red box.

If you are planning on using the Smart Phone App, navigate to your device's App Store and search for "ResponseWare." After you download the app, you will need to sign in to it with your Turning Technologies Account in order to use it in your class.

Now, to register your devices with the NKU Course you are taking, you must log in to Blackboard, and navigate to the course in question. Click "Tools" in the Course Menu.

Locate and select the "Turning Technologies Registration Tool" in the list of available options.

On this page, register your device(s) as best fit for your account. The "Register ResponseCard" option will ask for the 6-digit device ID found on the back of your clicker. The "Register ResponseWare" option – for those of you choosing to use the App – will ask for your Turning Technologies Account login information.

Turning Technologies Device Registration

To receive credit for your participation in-class, register your TurningTechnologies device.

ResponseCard
Handheld clicker device

ResponseWare
Web enabled response system

My Registered Devices

Device ID	Device Type
Register ResponseCard	ResponseCard
Register ResponseWare	ResponseWare

If you are using a ResponseCard handheld clicker device

If you are using your own personal device (laptop, mobile phone, etc.) with ResponseWare

Congratulations, you have purchased and linked the TurningPoint clicker option of your choice to your NKU class that requires it.
