**6. Future Agenda Items:**

Summer Clinic

Our graduate program continues to be small, so the team needs to consider alternatives for schedule and course cycle changes. One suggestion was to move EDG 662 and EDG 664 to Fall and Spring, and EDG 660 and 666, both online courses, to the summer.

**Next Meetings/Reminders:** Next Program Meeting on January 16 at 1:30. Need to set rest of Spring dates (after TE meetings).
