- 2.) After installing/updating, open this document in either Adobe Reader, Google Chrome, or Microsoft Internet Explorer
- 3.) Begin your plan by entering the number of credit hours you have earned. This is listed on your unofficial transcript.
- 4.) Continue your plan by listing the courses and credit hours you still need to complete, starting with the classes you are taking right now and concluding with graduation.
- 5.) This document is designed to perform special functions. If you enter the credit hours for planned classes and they are not being totaled automatically, then something is not working correctly.
