The Presidential Medallion

The medallion bears the seal of Northern Kentucky University and symbolizes the authority and responsibility of the Office of the President. It is worn at all official functions of the university and will be passed on to each president.

Presidential Ambassadors

Student ushers are Presidential Ambassadors who are selected on their scholastic achievement and their ability to serve the university.

COMMENCEMENT SPEAKERS

Sandra Oñate Muñoz ('25)

*10 a.m. Speaker,
College of Arts and Sciences*

Sandra G. Oñate Muñoz is graduating magna cum laude with a Master of Public Administration and a certificate in nonprofit management. A proud resident of Cincinnati and originally from Guadalajara, Jalisco, Mexico, Oñate Muñoz has always excelled, graduating high school in the top 20 of her class and earning a Bachelor of Science in biology, specializing in cellular, molecular and genetics, with a minor in chemistry.

Her passion for research led her to NKU, where she began her journey in Dr. Lili Ma's organic chemistry research lab as a freshman, designing and synthesizing bioactive molecules. Oñate Muñoz proudly presented her collaborative work at local, regional and national conferences, showcasing her dedication and hard work.

Her advocacy in the community through education and organizing earned her the 2021 Margaret Fuller Peace Award—a testament to her commitment to making a difference. Beyond her academic pursuits, she continues to empower her community with essential tools for safety and well-being, culminating in her recent recognition as the Outstanding MPA Student.

Currently, Oñate Muñoz serves as a qualified medical interpreter at a level one trauma center, ensuring clear communication between patients, physicians and other medical professionals. With her sights set on graduation, she is determined to dedicate herself to public service in the healthcare sector, championing equitable patient care for all.

JP Ampfer ('25)

*3 p.m. Speaker,
Haile College of Business*

JP Ampfer is graduating with dual bachelor's degree in human resource management and management from the Haile College of Business. Throughout his time at NKU, he has consistently earned a place on the Dean's List or President's Honors List. Beyond his academic achievements, Ampfer has dedicated himself to both professional and personal development, successfully balancing internships, student organizations and leadership roles on campus.

From the start of his college journey, Ampfer was motivated by a strong desire to get involved and quickly found a community that offered numerous leadership opportunities. He took on leadership roles in his fraternity, Sigma Phi Epsilon, served as an orientation leader for NKU Admissions and worked as a resident assistant in University Housing. These experiences helped him build his leadership skills in diverse environments.

Through these activities and others within the Haile College of Business, Ampfer discovered his passion for supporting others and building meaningful connections. By working with the Center for Student Excellence, he secured multiple internships at companies such as SugarCreek Packing Company, CVG International Airport and Bosch. These positions, along with his coursework and campus experiences, have laid a strong foundation for his future.

After graduation, Ampfer will join SugarCreek Packing Company as a benefits coordinator, returning to the team he previously interned with. Throughout his time at NKU, he has witnessed the power of a positive attitude and unwavering determination in the face of challenges and he aims to inspire others to remain steadfast as well.

HONORARY DEGREE RECIPIENT

Kenneth F. Harper
Doctor of Education

Kenneth F. Harper was born in Covington, Kentucky, in 1931 to Kenneth and Elizabeth Harper. He graduated from the Kentucky Military Institute (KMI) in 1948. In 1949, he met Eileen Kathman, the daughter of Edward and Estelle Kathman, and they were married in May 1953. Harper attended the University of Kentucky, where he was a member of Phi Kappa Alpha, until he enlisted in the U.S. Air Force in 1951. He served in Korea through 1952.

From 1953 to 1971, he served as president and general manager of Professional Business Service of Kentucky, a company he ran with his parents. Afterward, he obtained his real estate sales and broker's licenses and established Ken Harper Realty, retiring from business in 2013. He held positions on the boards of First National Bank, U.S. Bankcorp, and the Northern Kentucky Convention and Visitors Bureau, and he was a charter board member of Anthem Blue Cross Blue Shield Insurance.

In 1963, Harper was elected to the Kentucky House of Representatives to represent the 63rd district. During his political career, he was reelected for two additional terms before joining the administration of Governor Louie B. Nunn in 1968. In this role, he served as assistant commissioner of Child Welfare and commissioner of Public Information. Prior to joining the Nunn administration, he worked diligently with his northern Kentucky legislative colleagues to establish Northern Kentucky State College, which later became Northern Kentucky University. Following the death of Secretary of State Elmer Begley in September 1970, Governor Nunn appointed him to complete the term in that office.

After taking a break from elected state office to grow his real estate business, Harper was re-elected to his former House seat, winning successive terms until he retired from politics in 1994. During these terms, he served as chair of the Kentucky House Republican Caucus from 1987 to 1990 and was elected president of the National Republican Legislators Association. In this capacity, he delivered a formal address at the Republican National Convention in 1992. The archive of Harper's political career is housed at the W. Frank Stealy Library at Northern Kentucky University.

Harper embodies two important principles in his commitment to service: "Character Makes the Man," the motto of KMI, and "Service Above Self," the standard of Rotary International, of which he has been a member of the Covington, Kentucky, chapter since 1954. Though KMI closed in 1971, he maintains a strong relationship with its alumni and served as co-executive producer of the documentary "Character Makes the Man," which aired on KET in 2013. As a member of the Covington Rotary Club, Harper has served as president and has been on the board for several terms. He was named a Paul Harris Fellow and is the inaugural recipient of the Covington Rotary Foundation Ken Harper Award.

In 1959, he was president of Riverside Good Council School and a charter member of the board and executive committee of Northern Kentucky Comprehensive Care. Harper served as chair of the NKU Foundation from 1997 to 2002 and was also chair and president of the Thomas More College Advisory Board.

Throughout his lifetime of service, Harper has received numerous accolades, including the Kenton County Jaycees Outstanding Young Man Award in 1960, the Kentucky Jaycees John F. Kennedy Award for outstanding contributions to state government in 1966, the Kentucky Educational Television Public Service Award in 2016 and the Kenton County Pioneer Award in 2021.

Harper is quick to acknowledge that his late wife, Eileen, who held leadership roles in various community and political committees and commissions, was an integral partner in all of his achievements. At the heart of his life are his family members: his late wife Eileen, five children, seven grandchildren and five great-grandchildren.

HONORARY DEGREE RECIPIENT

Oakley Farris
Doctor of Business

Oakley Farris has been a dedicated supporter of Northern Kentucky University, making a significant impact through his philanthropic efforts and commitment to the university and its students. His legacy goes beyond financial contributions, reflecting his passion for education, community development and cultural enrichment.

One of his most notable contributions is the establishment of various campus spaces and programs named in his honor, including the Eva G. & Oakley Farris Leadership Academy, the Eva G. & Oakley Farris Amphitheater and the Eva G. Farris Reading Room in Steely Library. These initiatives aim to empower students and foster collaboration and growth. Each has provided valuable resources to NKU students and faculty, offering venues for academic, social and professional development.

Farris has also created scholarships that have opened doors for many students, particularly first-generation and low-income individuals. Along with his late wife Eva, he founded the Eva G. Farris Informatics Scholarship and the Eva G. Farris Business Endowed Scholarships, which have helped alleviate the financial burdens of higher education for over two decades.

Beyond NKU, Farris has transformed Covington, Kentucky, through his support of revitalization efforts, public art and cultural initiatives. He commissioned five bronze statues to celebrate the city's history and led the creation of the Legacy Floodwall murals, enriching Covington's cultural landscape. He has also supported local institutions, including St. Elizabeth Medical Center and The Carnegie Visual and Performing Arts Center, reflecting his belief in the transformative power of education and the arts.

Farris' life story is a testament to resilience, determination and a deep commitment to others. Born in 1924 in Gray, Kentucky, he served as a machine gunner in World War II before launching a successful real estate career with the Woodford Company. His entrepreneurial success allowed him to contribute significantly to his community and NKU.

Throughout his life, Farris has been guided by a strong sense of purpose and a desire to enhance the lives of others. His partnership with his late wife, Eva, who shared his passion for community development and education, has been a cornerstone of his philanthropic efforts. Together, they established a legacy that continues to benefit generations of students and residents in the region.

In recognition of his contributions, Farris has received numerous awards, including the Lincoln Award from NKU in 2013 and induction into the Kentucky Veterans Hall of Fame in 2017 and the Voices of Giving Award from the Greater Cincinnati Planned Giving Council in 2011. His unwavering commitment to education, community enhancement and NKU continues to define his remarkable legacy.

ALMA MATER

Northern, let your vision lead us,
hearts of women, men and youth.
Help us seek the higher virtues,
guide us to the greater truth.
Northern, Northern, alma mater,
may our lives enrich your name.
And in time leave us, your children,
better far than when we came.
