2021 FRANK SINTON MILBURN OUTSTANDING PROFESSOR

**KIMBERLY
CLAYTON-CODE**

Professor of Education

Kimberly Clayton-Code, Ph.D. is a Professor of Education and director of the Institute for Talent Development and Gifted Studies. She received the 2021 Frank Sinton Milburn Outstanding Professor Award for excellence in teaching, scholarship and service and was recognized for excellence in teaching from the Greater Cincinnati Consortium of Colleges and Universities. In addition, she was selected for the Faculty Excellence in Sustained Outreach and Public Engagement (2010) and the Faculty Excellence in Teaching (2007) awards from Northern Kentucky University as well as the Service and Advocacy Award from the Kentucky Association for Gifted Education (2018).

Since 2010, she has collaborated with Young Women LEAD, an impact organization that works to encourage teen girls to be bold and confident leaders. More than 34,000 girls nationwide have been positively impacted through Young Women LEAD conferences, clubs and curriculum.

Perhaps best known for her work with the NKU Institute for Talent Development and Gifted Studies, Dr. Clayton-Code has served as Director and Co-Founder of this comprehensive and valued community-focused organization. Over the years, she has developed and implemented activities for educators, high potential youth, their parents and community members—activities that connected thousands of potential students to NKU.

Dr. Clayton-Code received her Ph.D. in curriculum and instruction at the University of Louisville, her master's degree from Northern Kentucky University and bachelor's degree from Purdue University.

STUDENT COMMENCEMENT SPEAKER

**LINDSEY K.
SCHILLING '21**

Haile College of Business

Lindsey Schilling is graduating summa cum laude from the Haile College of Business with a degree in accounting and a business minor. During her time at NKU, she has received Dean's List and Presidential Honors, completed multiple internships with local and regional accounting firms in the greater Cincinnati area as well as providing consulting services to local businesses.

In her earlier years, Schilling didn't exactly know what she wanted to be when she grew up, but she did know one thing: she wanted to make a difference. Through her college career, NKU has helped Schilling to find her path to making a difference and provided opportunities for her to positively impact our local and regional community.

In the future, Schilling plans to begin her accounting career in the greater Cincinnati area. She looks forward to being able to apply the skills and knowledge she has gained during her time in the accounting program to be a difference maker in her professional life.

STUDENT COMMENCEMENT SPEAKER

**KAYLY
ALISON ISAAC '21**

College of Health and Human Services

Kayly Isaac is from Pikeville, Kentucky and is graduating magna cum laude with her Bachelor of Science in Nursing from NKU's 16-month accelerated program for postbaccalaureate individuals. Before starting the ABSN Program, Isaac graduated from Morehead State University in May 2020 with a Bachelor of Science in Biology as a George M. Lackey Honor's Program student before beginning her preparation to practice as a registered nurse through NKU.

During her time at NKU, Isaac stayed active in her program by serving as her cohort's representative in multiple committees including the BSN Program Committee, Program Evaluation Committee and Student Advisory Committee. In these committees, Isaac was able to advocate for student needs, provide student perspectives and recommendations, and convey pertinent information on behalf of her cohort. She was selected as the recipient of the Janice Mabry Cantrell Scholarship due to her strong personal values and nursing philosophy. After graduation, Isaac will begin her nursing career in the Cardiovascular Intensive Care Unit at University of Kentucky Medical Center where she hopes to continue furthering her knowledge about the care of high acuity patients and work towards her dream of returning to NKU for the Nurse Anesthesia Program.

COMMENCEMENT CEREMONY

Commencement exercises today at Northern Kentucky University give special attention to the pageantry of the ceremony. The counterpart of this pageantry is enacted each year on campuses all over the world. It is the solemn climax and recognition of the graduates' years of study and preparation for increased responsibility.

ACADEMIC ATTIRE

Today, all candidates for degrees and those who hold degrees, including college officials, faculty and visiting dignitaries, are attired in traditional cap and gown. The formal color for most caps and gowns is black. However, holders of different degrees wear distinctive tassels on their caps (called mortarboards). Hoods of various hues drape down the back of the gowns. Recipients of the associate and bachelor degrees at Northern Kentucky University wear black gowns and black and gold tassels; recipients of the master and doctoral degrees wear black gowns and tassels that correspond to the color of their particular discipline; and recipients of the degree of Juris Doctor wear black gowns and purple tassels.

Those wearing academic costumes wear caps in the academic processions and throughout the ceremony.

Members of the University governing body are entitled to wear doctoral gowns. The Regents regalia is a gold gown with three black chevrons and trim and an eight-sided tam with gold tassel. This attire is distinctive of the Board of Regents of Northern Kentucky University.

For all academic purposes, including trimmings of doctor's gowns, edgings of hoods and tassels of caps, the colors associated with the colleges and degrees at NKU are as follows:

COLLEGE OF ARTS AND SCIENCES

Master of Arts in English (white)

INTERNATIONAL SASHES

Different flags are displayed on colorful sashes worn by international students and students who studied abroad during their time at NKU. The sashes display the flag or emblem commemorating a student's favorite study abroad location or the original country of birth or citizenship of an international student.

HONORS CORDS

The gold and white Honors cords worn by bachelor degree graduates signify that they have achieved at least a 3.5 cumulative overall grade-point average on a 4.0 scale for their academic careers. The black and white Honors Cords are worn by those associate degree graduates with at least a 3.5 cumulative overall grade-point average.

GRAND MARSHAL

The Grand Marshal is the President of the Faculty Senate, or his/her designate and represents the faculty. President John Farrar holds this honor today.

PRESIDENTIAL AMBASSADORS

Student ushers are Presidential Ambassadors. They are selected on the basis of their records of scholastic achievement and their ability to serve the University.

THE UNIVERSITY MACE

The mace, which traces its roots to medieval weaponry, has become a symbol of scholarship and integrity for universities since the eleventh century. Today, the University's Grand Marshal carries the mace to indicate the solemnity of the occasion and the confirmation of the academic process.

Northern Kentucky University's mace is rich in symbolism. The spiral base, made of walnut-stained mahogany, suggests growth, evolution and higher achievement. The gold-leaf flame, inspired by NKU's official seal, the lamp of learning, symbolizes eternal light and learning. The gold and white braided cords flowing from the base of the flame represent purity as well as Northern's school colors.

The mace was presented as a gift to the University from the Northern Kentucky University Foundation, Inc. It was designed by Kari Messner '91 and was sculpted by local artist Jack True.

ALMA MATER

**Northern, let your vision lead us,
hearts of women, men and youth.
Help us seek the higher virtues,
guide us to the greater truth.
Northern, Northern, alma mater,
may our lives enrich your name.
And in time leave us, your children,
better far than when we came.**

Original lyrics and melody by Charles Wiley

Revised by Carolyn Hagner

Harmonization by Kurt Sander
