STUDENT COMMENCEMENT SPEAKER

CARLEE FRANKLIN ('24)

College of Informatics

Carlee Franklin, a Winchester, Kentucky native, is graduating summa cum laude with dual degrees from the College of Informatics with a Bachelor of Science in Business Information Systems, and from the Haile College of Business with a Bachelor of Science in Business Administration in Marketing.

As a lifelong student, Franklin loves learning and would spend her free time researching various topics of interest throughout her childhood. This curiosity and love for knowledge fueled her drive to graduate college despite the setbacks she encountered growing up. She has found Northern Kentucky University an amazing environment to continue her journey of growth and self-discovery as one of the best colleges in the nation.

Throughout her four years at NKU, Franklin has excelled academically as a frequent recipient of President's list honors and was named the Haile College of Business's Marketing Student of the Year.

She has been active in many student organizations including STEM Peer Mentors, Presidential Ambassadors and Haile College of Business Ambassadors. Franklin also earned two publications in IEEE Future Directions for her research in cybersecurity and psychology, she had the amazing opportunity to study abroad in Prague, Czech Republic.

Franklin has greatly expanded her field experience throughout her college career with six internships at five different employers including Western & Southern, Heritage Bank and local nonprofits. After graduation, Franklin will move to Denver, Colorado to return to her previous internship employer, Ibotta, as a B2B marketing associate, combining her passions for technology and creative marketing.

RECESSIONAL

HONORARY DEGREE RECIPIENT

WILLIAM P. BUTLER

The Board of Regents at Northern Kentucky University is pleased to award an honorary degree to William P. Butler.

DOCTOR OF EDUCATION

William P. Butler, a longstanding resident of Covington, Kentucky, is a distinguished figure renowned for his dedication and contributions to education, business and civic prosperity in northern Kentucky. Mr. Butler's journey is intertwined with the creation and remarkable growth of the Corporex Family of Companies, LLC, which he founded in 1965 and has led as chairman and CEO ever since. Under his stewardship, Corporex has burgeoned into a powerhouse in the real estate industry, having built over \$8 billion in facility constructions across 27 states. Additionally, Mr. Butler sponsored the formation of Eagle Hospitality Properties Trust, a New York Stock Exchange traded entity, where he was chairman of the board from inception in 2004 through its sale in 2007.

Beyond his achievements in the corporate realm, Mr. Butler epitomizes a steadfast commitment to community welfare and service. Mr. Butler serves the community through his roles as founder of the Butler Foundation, founder and board member of the Life Learning Center, founding member and trustee of the Horizon Community Fund and founder and executive board member of the Metropolitan Club. Additionally, he currently serves or has served on the boards of United Way of Greater Cincinnati, the Dan Beard Council of the Boy Scouts of America, Thomas More University, the Lindner Center of Hope, the Catalytic Fund, Bexion Pharmaceuticals, the OneNKY Alliance, and the Kentucky, Greater Cincinnati, and Northern Kentucky Chambers of Commerce at various times. He is a multi-level member of United Way's Million Dollar Roundtable, the Alexis de Tocqueville Society, and the Commercial Club of Cincinnati, and has an impressive history serving on many other boards and councils in the region.

Throughout the years, Mr. Butler has made exceptional contributions to NKU through his time, talent and treasure. He has served NKU with his expertise in numerous ways, including his service as an interviewee for the Campaign Feasibility Study in 2016, serving as a member of

the President's Advisory Council from 2003 to 2012 and his service on the Shaping Dreams Campaign Cabinet from 2001 to 2005. Most notably, Mr. Butler has greatly impacted NKU student excellence through his contributions, which have established both the Butler Scholars program and the matching funds for the LIFT Scholars program.

The Butler Foundation has been supporting the Butler Scholars Program at NKU for more than ten years – a commitment that has provided consistent financial assistance and motivation to young learners who will be the next leaders, innovators and change-makers of our communities. In the 2023-24 academic year, there are 22 Butler Scholars at NKU, which is the most supported by this program in any given year.

The LIFT Scholars Program was designed to support student populations who are at the highest risk of not completing their degrees. By focusing on low-income and first-generation scholarship students, the program helps these students access higher education and navigate challenges on their path to degree completion.

This dedication to NKU and to the Northern Kentucky region overall has resulted in Mr. Butler's being honored with many prestigious awards, including being National Entrepreneur of the Year, USA in 1996 and NKU's Lincoln Award in 2002. A few more recent awards include the 2020 Wm. T. (Bill) Robinson III Northern Kentucky Economic Development Award, the 2017 Spirit of Progress Award, the 2017 Northern Kentucky Business Hall of Fame Award and the Great Living Cincinnati Award.

Mr. Butler has dedicated his career to the prosperity of Northern Kentucky and advocated for higher education through his philanthropy, displaying a vision that begins with the talented minds that will grow to shape the future of this region. His pivotal role in NKU's growth makes Northern Kentucky University proud to confer upon William P. Butler an honorary Doctor of Education degree.

STUDENT COMMENCEMENT SPEAKER

GRACE MCCONN ('24)

Haile College of Business

Grace McConn is graduating summa cum laude with a Bachelor of Science in Marketing and a Bachelor of Science in Economics. During her time at Northern Kentucky University, she has maintained a 4.0 GPA while also taking full advantage of the opportunities provided by the Haile College of Business.

A key experience for McConn was joining The Underground Agency, a network of marketing students and alumni led by Dr. David Raska, where she did hands-on marketing research projects for clients like Kroger. This sparked her interest in consumer insights, leading to a 1.5-year internship at Big Village conducting research for other well-known companies like Bass Pro Shops, Bath & Body Works and Fidelity. Through the agency, McConn also studied abroad in Prague during her junior year. While there, she worked on building a brand story for Rutkovsky, a bead manufacturer in Northern Bohemia, unexpectedly witnessed a presidential inauguration in Prague Castle, and learned from top advertising executives at Leo Burnett.

Once returning home from her studies abroad, McConn united her dual interests in marketing and economics by collaborating with Dr. Aron Levin on a market research project for Sazerac Brands, one of the largest spirits industries in the United States. Her success on the project was recognized among faculty and opened the door to her role as a Haile Fellow conducting economic research under the guidance of Dr. Abdullah Al-Bahrani.

As a Haile Fellow, McConn's achievements include winning "best undergraduate paper" at the Kentucky Economic Association, working on a National Endowment for Financial Education project, creating engaging class content as a teacher's assistant for the "Storytelling with Data" course, winning fourth place in the 2024 Econ Games competition and more. As a recent graduate of the fellowship program, she joins a community of alumni who will continue to support and advise each other as they navigate their lives as young professionals.

Originally from Hebron, Kentucky, McConn looks forward to remaining in her hometown to begin a position in risk management with Fifth Third Bank this summer. She is excited to carry both the technical and soft skills she has gained during her time at the Haile College of Business into her next role and throughout life. Inspired by the mentors and faculty who have shaped her into the person she is today, in the future McConn hopes to return as a mentor herself for the next generation of NKU business students.

ABOUT THE COMMENCEMENT CEREMONY

Commencement exercises today at Northern Kentucky University give special attention to the pageantry of the ceremony. The counterpart of this pageantry is enacted each year on campuses all over the world. It is the solemn climax and recognition of the graduates' years of study and preparation for increased responsibility.

ACADEMIC ATTIRE

Today, all candidates for degrees and those who hold degrees, including college officials, faculty and visiting dignitaries, are attired in traditional cap and gown. The formal color for most caps and gowns is black. However, holders of different degrees wear distinctive tassels on their caps (called mortarboards). Hoods of various hues drape down the back of the gowns. Recipients of the associate and bachelor's degrees at Northern Kentucky University wear black gowns and black and gold tassels; recipients of the master's and doctoral degrees wear black gowns and tassels that correspond to the color of their particular discipline; and recipients of the degree of Juris Doctor wear black gowns and purple tassels.

Those wearing academic costumes wear caps in the academic processions and throughout the ceremony.

Members of the university governing body are entitled to wear doctoral gowns. The Regents regalia is a gold gown with three black chevrons and trim and an eight-sided tam with gold tassel. This attire is distinctive of the Board of Regents of NKU.

For all academic purposes, including trimmings of doctor's gowns, edgings of hoods and tassels of caps, the colors associated with the colleges and degrees at NKU are as follows:

INTERNATIONAL SASHES AND FLAGS

Different flags are displayed on colorful sashes worn by international students and students who studied abroad during their time at NKU. The sashes display the flag or emblem commemorating a student's favorite study abroad location or the original country of birth or citizenship of an international student.

The display of international flags on stage represents NKU's diverse student body and international students.

HONORS CORDS

The gold and white Honors cords worn by bachelor degree graduates signify that they have achieved at least a 3.5 cumulative overall grade-point average on a 4.0 scale for their academic careers. The black and white Honors Cords are worn by those associate degree graduates with at least a 3.5 cumulative overall grade-point average.

GRAND MARSHAL

The Grand Marshal is the president of the Faculty Senate, or his/her designate and represents the faculty. President John Farrar holds this honor today.

PRESIDENTIAL AMBASSADORS

Student ushers are Presidential Ambassadors. They are selected on the basis of their records of scholastic achievement and their ability to serve the university.

THE UNIVERSITY MACE

The mace, which traces its roots to medieval weaponry, has become a symbol of scholarship and integrity for universities since the eleventh century. Today, the university's Grand Marshal carries the mace to indicate the solemnity of the occasion and the confirmation of the academic process.

NKU's mace is rich in symbolism. The spiral base, made of walnut-stained mahogany, suggests growth, evolution and higher achievement. The gold-leaf flame, inspired by NKU's official seal, the lamp of learning, symbolizes eternal light and learning. The gold and white braided cords flowing from the base of the flame represent purity as well as the university's school colors.

The mace was presented as a gift to the university from the Northern Kentucky University Foundation, Inc. It was designed by Kari Messner ('91) and was sculpted by local artist Jack True.
