COMMENCEMENT SPEAKERS

COMMENCEMENT SPEAKER

AFTAB PUREVAL

Mayor, City of Cincinnati

Mayor Aftab Pureval is the 70th Mayor of the City of Cincinnati. As Mayor, he has made equitable economic growth a top priority of his administration, as well as a comprehensive reform and improvement of public safety, affordable housing and environmental action. Formerly serving as the first Democrat to be elected Hamilton County Clerk of Courts in over 100 years, he revolutionized the courthouse, ending the nepotism while adding more online services and opening an award-winning Help Center. He paid every employee a living wage of \$16 an hour and became the first countywide officeholder in Ohio to offer paid family leave.

Mayor Aftab was born and raised in Southwest Ohio. He attended The Ohio State University and the University of Cincinnati College of Law where he represented victims of domestic violence who could not afford an attorney. He served as a Special Assistant U.S. Attorney and worked as an attorney at Procter & Gamble. Mayor Aftab lives in Clifton with his wife, Whitney and their son, Bodhi.

STUDENT COMMENCEMENT SPEAKER

ELISE BEZOLD ('22)

College of Arts and Sciences

Elise Bezold is graduating summa cum laude from the College of Arts and Sciences with a Bachelor of Science in Chemistry. During her time at NKU, she had multiple President's List appearances and was involved in Leadership Mentors, STEM Scholars program and Gamma Sigma Epsilon Chemistry Honor Society.

Bezold, a native of rural southwest Ohio, was told from a young age that her family's farm was her real-life laboratory. She became fascinated with science, which translated into pursuing undergraduate research during her time at NKU. Under the mentorship of Dr. Amber Onorato, she authored an original research proposal outlining the synthesis and analysis of potential small molecule inhibitors of an enzyme in the inflammatory pathway and was awarded the Dorothy Westerman Hermann fellowship. She was the co-recipient of the 2021 Albert and Louise Cooper Memorial Scholarship for outstanding progress and motivation in undergraduate research. Along with her research endeavors, she has been a supplemental instruction leader for organic chemistry.

In the fall, Bezold will begin her doctoral studies in organic chemistry at Emory University. Upon completion of her Ph.D., she plans to pursue a career in academia, where she will continue to share her love for organic chemistry with students and inspire the next generation of scientists.

HONORARY DEGREE RECIPIENT

**EMERSON L.
BRUMBACK ('73)**

The Board of Regents at Northern Kentucky University is pleased to award an honorary degree to Emerson L. Brumback.

DOCTOR OF EDUCATION

Emerson Brumback has demonstrated a lifelong commitment to higher education, specifically Northern Kentucky University, as well as to the economic development and prosperity of the Greater Cincinnati area. Brumback is a 1973 graduate of Northern Kentucky University and a 1988 graduate of the Consumer Bankers Association, Graduate School of Banking at the University of Virginia.

During the more than 40 years that encompass Brumback's career in commercial banking, his professional pursuits have been ambitious and notable. He began his banking career in Cincinnati at Southern Ohio Bank, then a few years later, he relocated to Cleveland, working for AmeriTrust Company National Association. Brumback eventually made his way back to Cincinnati and began working for Bank One, where he was chairman, president and chief executive officer. Next, he moved to Buffalo, New York, to work at M&T Bank Corporation, where he was president, chief operating officer and served on their board of directors until his retirement in 2006.

This NKU alumnus has a long history of dedication to our university. Brumback has served on the NKU Foundation Board beginning in 1994 and now holds Director Emeritus status. In addition to this service, he was a member of the 2016 NKU Campaign Task Force and has remained a valuable member of the NKU Leadership Committee. NKU has previously recognized Brumback with two prestigious awards. In 1995 he was the Outstanding Alumnus Award recipient, and in 1999 he received the NKU Foundation's Commonwealth Society Award.

More recently, he has established both the Emerson Brumback Scholarship, which supports incoming undergraduate students from Norwood High School and the Lynn Brumback Scholarship, which supports incoming undergraduate students from Seton High School. These gifts, combined with the many other contributions over the years, are a testament to his passion for helping students get the support they need to achieve academic success.

Emerson Brumback and his wife, Lynn Brumback, currently reside in Dade City, Florida, and Maineville, Ohio. They have three children, nine grandchildren and one great-grandchild.

STUDENT COMMENCEMENT SPEAKER

**LILLIAN
GAMEL ('22)**

Haile College of Business

Lily Gamel is graduating magna cum laude with a degree from the Haile College of Business in both accounting and human resource management. After four years at NKU, she will be graduating with honors and 150 credits hours, as well as Dean's list appearances throughout her college career. In her senior year, she has been involved in the NKU community as the Finance and Accounting Student Association president and a Leadership Academy member.

Born and raised in northern Kentucky, Gamel always knew she wanted to go to Northern Kentucky University. As the youngest in her family, she had the luxury of watching all her siblings attend NKU and reap the benefits of a wonderful community. Throughout her time at NKU, she made deep connections with her professors and classmates that helped her get to where she is now.

After working as an audit co-op in her years at NKU, Gamel will be taking on the CPA exam following graduation and start working full-time as an audit associate at BKD in Bloomington, Indiana. She is excited to start the next chapter in her life with the tools NKU has given her to succeed.

ABOUT THE COMMENCEMENT CEREMONY

Commencement exercises today at Northern Kentucky University give special attention to the pageantry of the ceremony. The counterpart of this pageantry is enacted each year on campuses all over the world. It is the solemn climax and recognition of the graduates' years of study and preparation for increased responsibility.

ACADEMIC ATTIRE

Today, all candidates for degrees and those who hold degrees, including college officials, faculty and visiting dignitaries, are attired in traditional cap and gown. The formal color for most caps and gowns is black. However, holders of different degrees wear distinctive tassels on their caps (called mortarboards). Hoods of various hues drape down the back of the gowns. Recipients of the associate and bachelor degrees at NKU wear black gowns and black and gold tassels; recipients of the master and doctoral degrees wear black gowns and tassels that correspond to the color of their particular discipline; and recipients of the degree of Juris Doctor wear black gowns and purple tassels.

Those wearing academic costumes wear caps in the academic processions and throughout the ceremony.

Members of the university governing body are entitled to wear doctoral gowns. The Regents regalia is a gold gown with three black chevrons and trim and an eight-sided tam with gold tassel. This attire is distinctive of the Board of Regents of NKU.

For all academic purposes, including trimmings of doctor's gowns, edgings of hoods and tassels of caps, the colors associated with the colleges and degrees at NKU are as follows:

COLLEGE OF ARTS AND SCIENCES

INTERNATIONAL SASHES

Different flags are displayed on colorful sashes worn by international students and students who studied abroad during their time at NKU. The sashes display the flag or emblem commemorating a student's favorite study abroad location or the original country of birth or citizenship of an international student.

HONORS CORDS

The gold and white Honors cords worn by bachelor degree graduates signify that they have achieved at least a 3.5 cumulative overall grade-point average on a 4.0 scale for their academic careers. The black and white Honors Cords are worn by those associate degree graduates with at least a 3.5 cumulative overall grade-point average.

GRAND MARSHAL

The Grand Marshal is the president of the Faculty Senate, or his/her designate and represents the faculty. President John Farrar holds this honor today.

PRESIDENTIAL AMBASSADORS

Student ushers are Presidential Ambassadors. They are selected on the basis of their records of scholastic achievement and their ability to serve the university.

THE UNIVERSITY MACE

The mace, which traces its roots to medieval weaponry, has become a symbol of scholarship and integrity for universities since the eleventh century. Today, the university's Grand Marshal carries the mace to indicate the solemnity of the occasion and the confirmation of the academic process.

NKU's mace is rich in symbolism. The spiral base, made of walnut-stained mahogany, suggests growth, evolution and higher achievement. The gold-leaf flame, inspired by NKU's official seal, the lamp of learning, symbolizes eternal light and learning. The gold and white braided cords flowing from the base of the flame represent purity as well as the university's school colors.

The mace was presented as a gift to the university from the Northern Kentucky University Foundation, Inc. It was designed by Kari Messner ('91) and was sculpted by local artist Jack True.

ALMA MATER

**Northern, let your vision lead us,
hearts of women, men and youth.
Help us seek the higher virtues,
guide us to the greater truth.
Northern, Northern, alma mater,
may our lives enrich your name.
And in time leave us, your children,
better far than when we came.**

Original lyrics and melody by Charles Wiley

Revised by Carolyn Hagner

Harmonization by Kurt Sander
