

ACCESSIBILITY – SIMPLE TRANSCRIPTS FOR VIDEOS

USING DRAGON DICTATION TO CREATE A TRANSCRIPT

1. Dragon Dictation is a free app available on iPhone and iPad that can be used to create transcripts whenever you record a video for your course.
2. Download Dragon Dictation from the app store onto your iPhone or iPad.
3. To use the app, press the record button and speak into it. When finished, press DONE. The app will process the speech and give you a transcript. You can then send these transcripts using email.
4. When you are recording a video on your computer, run Dragon Dictation on your iOS device.
