HIS 395: Battlefields of France 1 credit
EMB 495: Special Topics- Study Abroad 3 credits

Explore Paris and key battlefields of WWI and WWII with history professors François Le Roy and Jeffrey Williams. Recapture the experiences of WWI trench warfare at the Somme battlefield and of the WWII Allied invasion of France at the Normandy landing beaches.

Electronic Media and Broadcasting students will also join the program under the guidance of Professor John Gibson. Find your inspiration while creating individual media projects, all with an emphasis on the history and/or culture of France.

Alumni and community members are welcome to apply.
