## LANGUAGE & CULTURE IN **MEXICO**

WLL 395

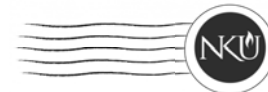

This one credit study abroad program will give students a better understanding of the history, people, and culture of Mexico. Over spring break students will travel to Mexico and visit the cities of Pachuca and Mexico City. Students will have the opportunity to interact with students and faculty from the Universidad Autónoma del Estado de Hidalgo as well as visit the Frida Kahlo museum, Palacio Nacional, and Chapultepec Park. The group will meet a few times during the spring semester to prepare for the program.
