Where in the world is YOUR classroom?
Make Your Dream a Reality in NYC!

Experience what it is like to live and work in the biggest theatre town in the world, New York City! This course will teach you the nuts and bolts of what it takes to be a working theatre artist. We will network with NKU alumni to hear how they transitioned from college to The Big Apple, meet with a realtor who will give you the scoop on the best ways to find affordable housing, have Q&A sessions with a variety of working people from the industry such as playwrights, technicians, and casting directors. And by the end of the week, you will be able to navigate the NYC mass transit like a pro! We will also take in 2-3 shows in different styles and venues as well as 2-3 historic sites such as Ellis Island, the Statue of Liberty, the Empire State Building, and the Museum of Natural History. Take the next step to make your dream a reality!
