**EMB 395: PAX East Study Away in Boston**

Penny Arcade Expo (PAX) is an overall term used to refer to a series of gaming culture festivals that involve; tabletop, arcade, and video gaming. It is an internationally renown convention that meets in different cities across the United States and the globe. Students will be diving into the culture and commerce aspects of gaming interacting with various communities, vendors, and organizations. They will tell stories by interviewing and participating in activities via the show floor, panel discussions, tournaments, and promotional gatherings taking place in the city of Boston. These stories will be told via print, radio, and/or video essays through the platforms of The Northerner, Norse Code Radio, and Norse Media.
