STRAWS Biology Study Abroad Endowed Scholarship

Department of Biological Sciences
Northern Kentucky University

Scholarship Application 2018-2019

The STRAWS Scholarship was created in support of study abroad opportunities in the fields of Biology and Environmental Science. Scholarships may support expenses related to travel and research supplies.

Recipient(s) will be chosen in accordance with university policies and procedures. *Preference will be given to first-generation college students. "First-generation" means that neither parent completed a Bachelor's degree.* The scholarship distribution will be administered by the Office of Student Financial Assistance.

Please turn in completed application to Biology administrative offices no later than December 14th.
