A screenshot of the Digital Measures dashboard. At the top left is the NKU Northern Kentucky University logo. At the top right is the "Digital Measures" logo. Below the logos is a navigation bar with "Welcome, Connie Kiskaden." on the left and "Tuesday, March 22, 2011" on the right. On the left side, there is a vertical menu with several options: "Manage Your Activities", "Manage Questions" (highlighted with a dark background and an arrow pointing to it), "Run Ad Hoc Reports", "Run Custom Reports", "View Respondents", "Contact Our Helpdesk", "Submit Your Feedback", "Privacy Statement", and "Logoff". The main content area displays "Manage Questions allows you to select additional questions that will be asked for your courses." Below this, there is a section titled "Manage Questions" for "Course Evaluation - Law". Underneath, a course is listed: "TST 100, Section 1 TEST COURSE" with a "Select Questions" link to its right. An arrow points from the "Manage Questions" link in the left menu to the "Select Questions" link in the main content area.

Your course list will appear in the main window.

Here you will click on each course individually for which you wish to add questions from the Question Bank.

Questions from the Question Bank must be added prior to the evaluation period start date.

To do this you will need to log into Digital measures and select Manage Questions on the left menu. Then click on the Select Questions option after each course in which you wish to add questions.

As you can see below you have the option to “Write your Own” questions or “Pick from a List” of questions in a question bank.
