1. Call to Order, Adoption of the Agenda
   a. The Meeting was called to order at 3:30pm. The agenda was adopted unanimously with one additional agenda item (“Have departments or schools lost full text access to journals from the Library that their faculty rely on for their courses”).
2. Approval of the minutes from the November 19 meeting
   a. Draft Minutes from PCC Meeting of November 19, 2020 were approved without dissent.
3. Nominations for secretary to record minutes this semester
   a. Michael Providenti (Steely Library) agreed to be secretary.
4. Chair’s Report and Announcements
   a. Enrollment: Spring enrollment is at 98% of what was projected. This is still preliminary, we don’t know what will happen with 5 week spring sessions or the second 7 week session. Enrollment FTE is 92.5%, lower due to students taking a lighter course load. That not so bad since enrollment last fall was higher than had been projected. Most enrollment driven by accelerated online courses.
   b. Vaccines: May be available to NKU employees in late March. Faculty and staff are part of phase 1C. Exception for faculty and staff working in K-12 schools who will be in phase 1B. Faculty over 70 will also be in phase 1B. Plans underway to prioritize distribution.
   c. Coronavirus support: NKU has received $13.7 million in CARES ACT stimulus. $4 million designated for students, $9.7 designated for the institution. More flexibility with recent distribution, institutional funds can be used to offset revenue losses. NKU had revenue losses with students not being in housing, dining plans, parking, and fewer events at BBT Arena.
   d. Provost Search: 2 candidates had open forums last week. A third candidate meets with the Faculty Senate Executive Committee Friday 1/22/2021. There is no information about third candidate at this time.
   e. President Vaidya: Thanks us for our hard work this past semester. Wants to provide more student engagement opportunities in the spring. Said Gov. Beshear
wants to increase funding for higher education. In context of exit from KERS, he wants to attract and retain the best people possible.

f. Provost Sue Ott Rowlands: SACS has fully reaccredited NKU and we are off warning. Regarding RPT, all levels were in agreement with the exception of one candidate. She said this was a good outcome. If you are teaching face to face, expect students to show up unless they are sick.

g. Free Parking: Free parking in garages this semester. Return hang tags to Decca in Benefits to stop the payroll deduction. Surface lots NOT included in free parking.

h. General Education: Gen Ed committee is seeking proposals to connect Gen Ed with Success by Design. Submit a 2-3 page summary by February 15. First authors are awarded $100 for submitting an innovation. 3-6 will be selected and asked to submit a full proposal that will be due in the fall.

5. **Old Business**, discussion item: should faculty on part-time appointments be eligible for faculty development awards? Sections of the Faculty Handbook appear to be in conflict.

a. Background: Benefits (i.e. Sabbatical, Project Grants, Summer Fellowships) faculty member who had been full time elected to go part time wanted to know if they would still be eligible. The relevant sections of the Handbook include:

- “Tenured, full-time faculty and department chairs/school directors are eligible to apply for sabbatical leaves....” (section 11.1.2; see also sections 11.2.2 and 11.3.2)
- “Faculty members on part-time appointments, whether term or permanent, retain all rights and responsibilities attendant to their appointment as a tenured faculty member.” (section 1.5.2)

Benefits committee debated this last fall and agreed to allow faculty on part time appointments to apply for awards while prioritizing full time faculty. Part time faculty would be considered only if ALL full time faculty applicants had been granted an award. Other issues discussed included if sabbatical eligibility should be based on credit hours taught rather than years and extending sabbatical leaves to part time employees with full or pro-rated salary.

In a review of 12 benchmark institutions, only 3 allow part-time appointments. UT Chattanooga restricts sabbaticals to full time, Boise State requires full time to be eligible for sabbaticals, and Towson requires 6 or more years of at least half-time service.

Discussion:

- If a part time faculty member went on sabbatical, would they need to be full time on sabbatical? Could they have another job and take a sabbatical? Do we want that?
- If a sabbatical is because you spend so much time working and teaching, why would part-time faculty need a sabbatical? Project Grants and Summer Fellowships that involve students would make more sense for part time faculty.
• Full time faculty should take precedence.
• In the event of tie, full time should get a bump up. A strong proposal shouldn’t be automatically moved to the bottom due to part time status.
• Q: Are untenured prioritized over tenured? A: Yes, pre-tenure gets priority in Benefits Committee.
• In conclusion, PCC is exploring the possibility of clarifying handbook language to make sure faculty on part time appointments would be eligible for developmental awards of summer fellowships and project grants.
• K. Fuegen will take this to next Executive Committee meeting and discuss this with Benefits Chair.

6. New Business: Bio 291 (covers writing in Biology) instructors need to use current resources and they need to access the current issues of the journal *Nature* from the Library website. Students discovered this week that the library has reorganized and they could no longer access the journal *Nature*. Bio 291 instructors are upset about the change and that there was no communication about it. Are other departments concerned or having issues?
   a. Someone from library came to some PCC members’ departments asking what resources were needed. No issues yet.
   b. M. Whitson: Rep from library visited, but there must have been a miscommunication.
   c. M. Providenti: will look into the issue and test access for *Nature*, and follow up.
   d. K. Fuegen: PCC reps should check with their departments and bring any additional issue forward to PCC.

7. New Business, discussion item: Handbook section 14 (grievances); see attachment

    Background: a faculty member can file a grievance for multiple reasons (negative recommendation from Provost for RPT, underwent post-tenure review and disagreed with the development plan, or if there were a program reduction or faculty reassignment that we were dissatisfied with). Faculty grievances are also included in the statement on collegial governance as an academic matter in which faculty have a primary responsibility for making recommendations. Addressed by A. Miller:
   a. Issues
      • Filing a petition to initiate the peer review process:
        A faculty member filed a grievance after being denied RPT at department, chair, dean, and provost level.
      • Processing the petition:
        RPT Chair told that RPT Committee didn’t have purview over the grievance. That the grievance committee and provost have purview.
      • Communicating decisions:
        In the summer, the RPT Chair learned the decision was overturned. The
RPT committee should have been given copies of the grievance and decision, but that didn’t happen. A revision of the Handbook should make this process clear.

- Resolving the matter through negotiation:
The current policy is not clear regarding RPT decisions. If RPT was denied, there could be a grievance, the grievance committee would meet to determine if there is a prima facie case and, if so, it would be handed to the Provost to negotiate. The dean, chair, and RPT committee should be allowed to have input. If the RPT committee didn’t follow the policy, it should go back to the RPT committee with an explanation of where the policy was not correctly followed.

b. Discussion:
  - Should we clarify the language in the Handbook?
  - Q: What about decisions made at the Dean level, not RPT Committee?
    A: A. Miller -- At the point of the first negative review you can ask for a reconsideration, not a grievance. A grievance would come at the end of process regarding the final decision. At the reconsideration you are submitting materials that may have been missing to support your application.
    - A. Miller -- Working on edits to make the process clearer using bullet points. Do we want the process to use negotiation with the Provost or the RPT Committee? The RPT Committee should be given 10 days, like the Dean had, to respond to the written grievance.
  - Q: Was there no request for reconsideration? Did this go straight to grievance?
    A. Miller: No, a reconsideration was filed but it was denied. RPT Committee told it had no purview over this.
  - K. Fuegen: Handbook Section 3.2.14: Formal reconsideration only at level of level of initial negative recommendation. This suggests the RPT Committee ought to be notified of decisions regarding the reconsideration process. The grievance comes in when the Provost gives a negative recommendation, see Handbook Section 14.
  - Handbook Section 14.2.5.3. A grievance that cannot be negotiated would go the grievance committee.
  - We need to look at Handbook Section 3.2 to determine when grievances can be filed.

8. Future Business
   a. We will continue with Grievances at the next meeting.
   b. Reach out if you have additional agenda items for this group.
9. Adjournment
   The meeting adjourned at 4:33pm.

Submitted,

M. Providenti, Secretary

14. GRIEVANCES

14.1. DEFINITION
For the purposes of this Handbook, there are two categories of grievances:

- Major issues concerning a faculty member’s professional appointment that are heard by the peer review committees (Section 14.2 below), and
- All others (see Section 14.3 below, Complaint Process)

14.2. PEER REVIEW PROCESS

The Peer Review Process is confidential except as agreed to by the grievant faculty member and the University, through its appointed representatives, or as provided herein, or as may be required in a court of law.

14.2.1. MATTERS SUBJECT TO PEER REVIEW

Only the following matters, all of which affect a faculty member’s professional employment at the University, may be appealed to or heard by the Peer Review Process:

- Denial of reappointment, promotion or tenure;
- Cases involving alleged illegal discrimination, except for cases of alleged sexual discrimination which are covered in Section 16.8, Sexual Harassment/Gender Discrimination, of this Handbook;
- Cases involving alleged violation of professional ethics and responsibilities, as set forth in Section 16.3, Professional Ethics and Responsibilities, in this Handbook;
- Termination for medical reasons, as set forth in Section 10.5, Termination for Medical Reasons, in this Handbook;
- Program reduction and faculty reassignment, as set forth in Section 10.6 in this Handbook;
- Termination for cause, as set forth in Section 10.8, Termination For Cause, in this Handbook; and
- Cases involving disagreement with a post-tenure review development plan, as set forth in Section 9.6.4 in this Handbook.

The Peer Review Process will deal with appeals and grievances of matters listed above only for persons who receive a faculty contract; no person who receives an administrative contract (e.g. director, dean, associate provost, vice president) may utilize the Peer Review Process.

Section 14.3, Complaint Process, applies to all other complaints, grievances and appeals by faculty members.

14.2.2. COMPOSITION OF PEER REVIEW COMMITTEES

14.2.2.1. MEMBERSHIP OF THE COMMITTEES

There shall be two peer review committees. The Peer Review Advisory Committee shall consist of five members and five alternate members. The Peer Review Hearing Committee shall consist of five members and five alternate members. Alternate members of either Peer Review Committee may be called upon to serve on the other Peer Review Committee; however, no alternate can serve on both Committees to hear the same case. If it is necessary to constitute a full committee, the Faculty Senate Executive Committee shall appoint members to serve until elected members replace them. Members will serve four-year terms beginning on July 1 of the initial year and extending through June 30 of the final year of service. If a
hearing is in progress, Committee members are required to continue their service beyond June 30 of the
final year until the hearing is concluded.

14.2.2.2. ELECTION OF THE COMMITTEE MEMBERS

The members of the Peer Review Committees will be elected at large by the full-time faculty of the
University eligible to vote for Faculty Senators. The election shall be conducted by the Faculty Senate
Elections Committee. Nominations shall be sought from all full-time faculty eligible to vote for Faculty
Senators.

Elections will be held according to the schedule of elections developed by the Elections Committee of the
Faculty Senate. Members shall be elected by frequency of votes. In event of a tie, the matter will be
settled by the Elections Committee, with the advice and consent of the affected individuals and the
President of the Faculty Senate. Membership on the Peer Review Committees should be from a broad
representation of the University faculty; therefore no Department will be represented by more than one
faculty member on each Committee.

14.2.2.3. TERMS OF THE COMMITTEE MEMBERS

Members of the Peer Review Committees must be tenured full-time faculty. They shall serve staggered
four-year terms (1 July to 30 June) to provide continuity of membership. The alternates will serve two-
year terms (1 July to 30 June).

14.2.2.4. CHAIRS OF THE COMMITTEES

Each committee will elect a chair who shall serve for one year.

14.2.2.5. CONFLICT OF INTEREST

No member of either Peer Review Committee shall serve in the appeal or review of any matter arising
from the department(s) of his/her appointment, in any case in which the member participated in any prior
to referral to the Peer Review Committee on which the member participates, nor in any matter in which
the member may legitimately be called as a witness. It is the responsibility of committee members to
exclude themselves from participating on a committee in any proceeding in which they have any other
conflict of interest.

14.2.3. PROCEDURE

14.2.3.1. FILING THE PETITION

Any faculty member wishing to initiate a review by the Peer Review Process must file with the
provost one original and eight copies of a written petition. The provost shall retain the original and
the eight copies should be sent to:

- Copies 1 – 5 shall go to the Chair of the Peer Review Committee,
- Copy 6 shall go to the dean of the college in which the faculty member resides,
- Copy 7 shall go to the department chair/school director in which the faculty member resides,
- Copy 8 shall go to either the chair of the Reappointment, Promotion and Tenure committee in the
department in which the faculty member resides or other respondents to the grievance.
The petition must:

- Clearly state the nature of the grievances and any/all attempts that the faculty member has made to resolve the grievance(s); only those grievances listed in Section 14.2.1 of the Handbook can be investigated by the Peer Review Committees.
  - If the faculty member wishes to submit supporting documentation, one original and eight copies of the documentation must be included with the copies of the written petition to the provost. Although decisions regarding the inclusion of supporting documentation are the sole responsibility of the faculty member, the Peer Review Committees discourage the submission of documents unrelated to the specific grievance(s).
- Be filed within the time limits prescribed by the applicable section of this Handbook; for reappointment, promotion, and/or tenure decisions the time limit is fifteen (15) University working days of receipt of the notice from the provost (Section 3.2.13); if no time limit is prescribed elsewhere in this Handbook, the petition must be filed no later than 60 days of the date of the alleged grievous conduct; if a petition is filed after the prescribed time, it shall be dismissed.

14.2.3.2. WITHDRAWING THE PETITION

An aggrieved faculty member may withdraw a petition for Peer Review at any time prior to the completion of the Peer Review Process. The faculty member must file a written request with the provost asking that the petition be withdrawn. Withdrawal of the petition shall be effective on the date the written request is received in the office of the provost and all further consideration of the petition shall cease immediately.

14.2.4. PEER REVIEW ADVISORY COMMITTEE

14.2.4.1. INITIATING THE PROCESS

Within five (5) working days of receipt of a timely filed petition and any supporting documentation, the provost shall forward copies of the petition and any supporting documentation received from the faculty member to the Chair of the Peer Review Advisory Committee, the dean of the college in which the aggrieved faculty member resides, the department chair/school director, the chair of the Reappointment, Promotion and Tenure Committee of the grievant faculty member’s department/school, and/or any other legitimate respondent to the grievance.

Within five (5) working days of receipt of a filed petition, the provost shall forward the copies of the petition and any supporting documentation received from the faculty member to:

- the dean of the college in which the faculty member resides,
- the department chair/school director,
- if the grievance is pertaining to tenure, promotion or reappointment, the chair of the Reappointment, Promotion and Tenure Committee
- and/or other respondents to the grievance.

The chair of the Peer Review Advisory Committee will provide each Advisory Committee member with copies of all correspondence.
14.2.4.2. THE COMMITTEE PROCESS

Upon receipt of a petition and any supporting documentation for peer review, the dean of the college in which the faculty member resides, the department chair/school director, the chair of the Reappointment, Promotion and Tenure Committee, and/or other respondents may each file a written response to the petition, including supporting evidence, with the Peer Review Advisory Committee within ten (10) University working days of receipt of the faculty member’s documentation. Any respondent filing a written response to the petition shall provide the grievant with a copy of said response. The grievant faculty member may respond in writing within ten (10) University working days of receipt of the response(s) from the dean, department chair/school director, chair of the Reappointment, Promotion and Tenure Committee, and/or other respondents. The chair of the Peer Review Advisory Committee will notify, in writing, all the parties described above of their right to submit a response and will provide each Advisory Committee member with copies of all correspondence.

Normally the Peer Review Advisory Committee will meet no more than ten (10) University working days after receipt by the committee’s chair of the petition and all of the responses described in the previous paragraph.

Within ten (10) University working days of receipt of the faculty member’s documentation from the provost, those noted below have a right to submit a written response to the petition and to include supporting evidence. The written response should be sent to the provost within 10 University working days of receipt of the faculty member’s documentation.

1. the dean of the college in which the faculty member resides,
2. the department chair/school director,
3. if the grievance is pertaining to tenure, promotion or reappointment, the chair of the Reappointment, Promotion and Tenure Committee
4. and/or other respondents to the grievance.

Within ten (10) University working days of receipt of the above noted responses, the grievant faculty member may respond in writing.

No more than ten (10) University working days following the above noted responses, the chair of the Peer Review Advisory Committee will convene the meeting of the committee.

The chair of the Peer Review Advisory Committee will convene the meeting of the committee. A quorum of the committee shall consist of four of the five members. Alternate members may be used as necessary. Based upon the written information it has received, the committee members will determine whether a prima facie case for a hearing by the Peer Review Committee is presented. All committee members present shall vote. The committee’s determination shall be conveyed in writing to the petitioning faculty member, to the president of Faculty Senate, and to the provost, all within three university working days of the committee’s decision. If the Committee determines that no prima facie case was presented, the petition will be dismissed by the Committee, accompanied by written reasons explaining the committee’s decision. If the committee determines that a prima facie case was presented, the case shall be returned to the provost for further action. If there is a tie vote, the grievant faculty member’s petition shall be forwarded to the provost for further proceedings with a finding that a prima facie case is presented. The entire committee file and record, including the petition and all copies of written statements and documents, shall be forwarded to the provost. If the petition has been dismissed, there shall be no further peer review proceedings. The provost is responsible for safekeeping the record.
A quorum of the committee shall consist of four of the five members. In the case of a conflict of interest, alternate members may be used as necessary. All committee members present shall vote.

Based upon the written information received, the committee members will determine whether a prima facie case for a hearing by the Peer Review Committee is presented.

- If the Committee determines that no prima facie case was presented, the petition will be dismissed by the Committee. If the petition has been dismissed, there shall be no further peer review proceedings.
- If the committee determines that a prima facie case was presented or if there is a tie vote, the case shall be returned to the provost for further action per the procedure set forth in Section 14.2.4.3 Resolution by Negotiation.

Within three (3) university working days of the committee’s decision, the Committee will notify all parties of their determination in writing:
- the aggrieved faculty member
- the Chair of the Peer Review Advisory Committee,
- the dean of the college in which the aggrieved faculty member resides,

COMPLAINT PROCESS

The following process will apply to all complaints other than those heard by the peer review committees and those not covered elsewhere in this Handbook.

14.3.1. PROCESS APPLICABILITY

A faculty member initiates the complaint process when a concern can no longer be resolved through informal discussion and is not governed by the peer review process.

14.3.2. COMPLAINT PROCESS PROCEDURE

The faculty member addresses the complaint in writing to his/her department chair, with copies to the appropriate dean and the provost. The complaint should identify clearly the nature of the concern and record any earlier attempts to resolve the complaint through discussion.

If the matter remains unresolved at the chair’s level, the faculty member may address the complaint in writing to the appropriate dean with copies to the provost and the department chair.

If the matter remains unresolved at the dean’s level, the faculty member may address the complaint in writing to the provost with copies to the department chair and the dean.

The provost or an associate or vice provost assigned at the provost’s discretion will provide oversight throughout the complaint process and will ensure that careful consideration is given to the complaint at every level without prejudice to the complainant.

The department chair, the dean, and the provost are required to respond to the complainant in writing.

15.

14.3.3. COMPLAINT ADVISORY COMMITTEE

Each college shall elect one at-large member to serve on the Complaint Advisory Committee. The members shall serve staggered two-year terms. review any complaint and make recommendations to either the department chair or the dean during the procedure outlined in Section 14.3.2, above. If the complaint is addressed in writing to the provost, the provost is required to consult the Complaint Advisory Committee, which will then make recommendations in writing to the provost for resolution of the complaint. The provost and the Complaint Advisory Committee will work as expeditiously as possible to resolve the complaint promptly. The Complaint Advisory Committee shall be provided copies of the written complaint, all written correspondences of the administrator(s) and the complainant, and if the Committee considers it necessary, it may meet with the complainant and others mentioned in the complaint. The complainant and the vice president of Faculty Senate shall also receive a copy of the Complaint Advisory Committee’s recommendations.

A member of the Complaint Advisory Committee may not hear a complaint if he/she is from the same department as the complainant. In this event, the vice president of the Faculty Senate will serve as alternate.
