Teaching Evaluation & Effectiveness Committee
Online Evaluation Changes

For all students, at the end of each course:
1) Student must decide to complete the evaluation or "opt out"
   a. If they complete the evaluation or "opt out", they get immediate access to their grades as soon as grades are available
   b. If they do nothing, they must wait 2 weeks to get their grades

2) Note: at the end of each page there will be an "opt out" option (there are 3 pages).
3) Students will be able to evaluate courses until Sunday 11:59 pm before final exams
