

Course Registration

The new course registration makes it easy for you register for classes on your computer, tablet, or phone.

Course Registration

Program Undergraduate ▼

Term Spring 2017-2018 ▼

Norse, Nellie

Student ID: 100260381

Registration Window: 24.10.2017 06:00am - 13.04.2018 11:59pm

Begin by selecting your **program** and the **term** for which you will register. The registration window for the term selected will appear on the right, below your name and Student ID.

Searching for Courses

Search for specific classes by entering the prefix and number in the search box. There must be a space between the prefix and number.

You can also search using only the prefix. For example, entering "STA" will show all available Statistics courses.
