ENG 231:

Introduction to Creative Writing

- Have you ever read a powerful poem, novel, or true story and thought, *I wish I could write something like that?*
- Do you want to write creatively but are *not sure where to begin?*
- In this course, we investigate the methods and techniques that writers use to *write and revise poems, fiction, and creative nonfiction*, including the workshop method of sharing and critiquing.

All *experience* levels welcome!

*Fulfills Culture & Creativity Requirement*
