

Gen Ed 2016-2017 Artifacts - N, Average or % of Scores 1-4 By SLO & STEMH Major

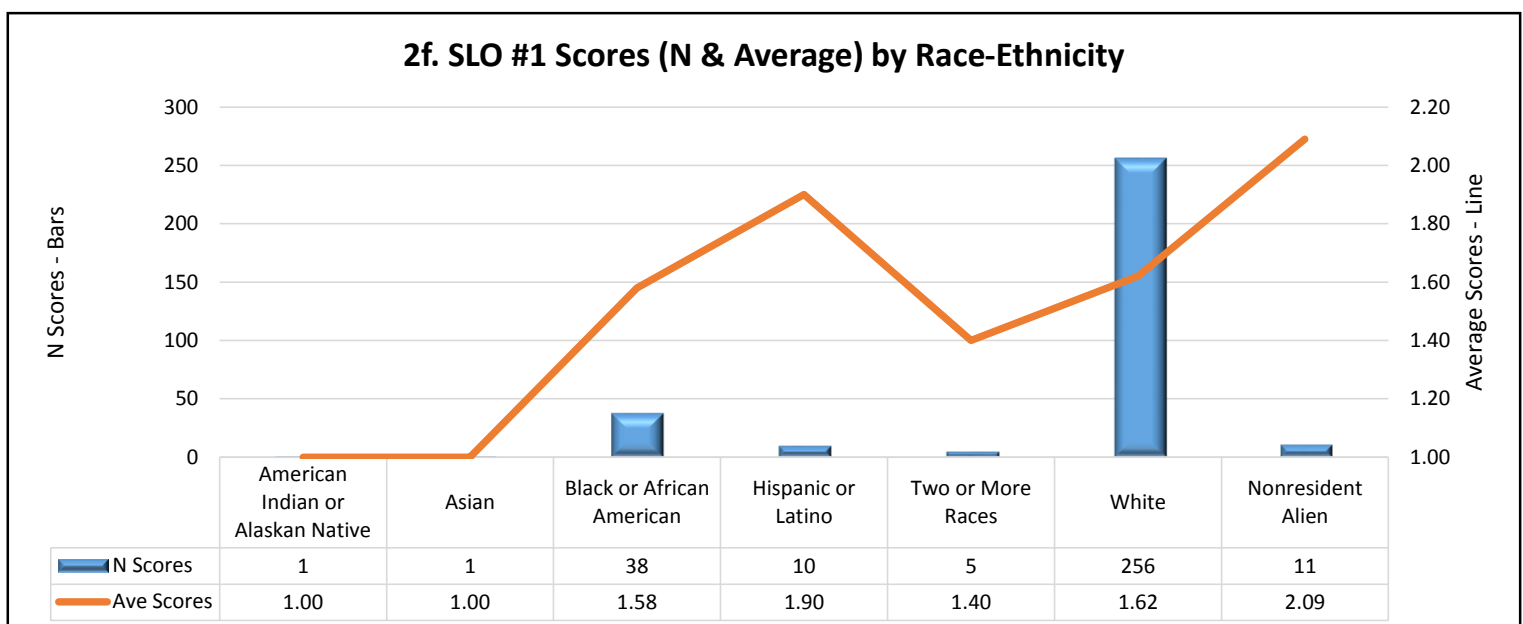

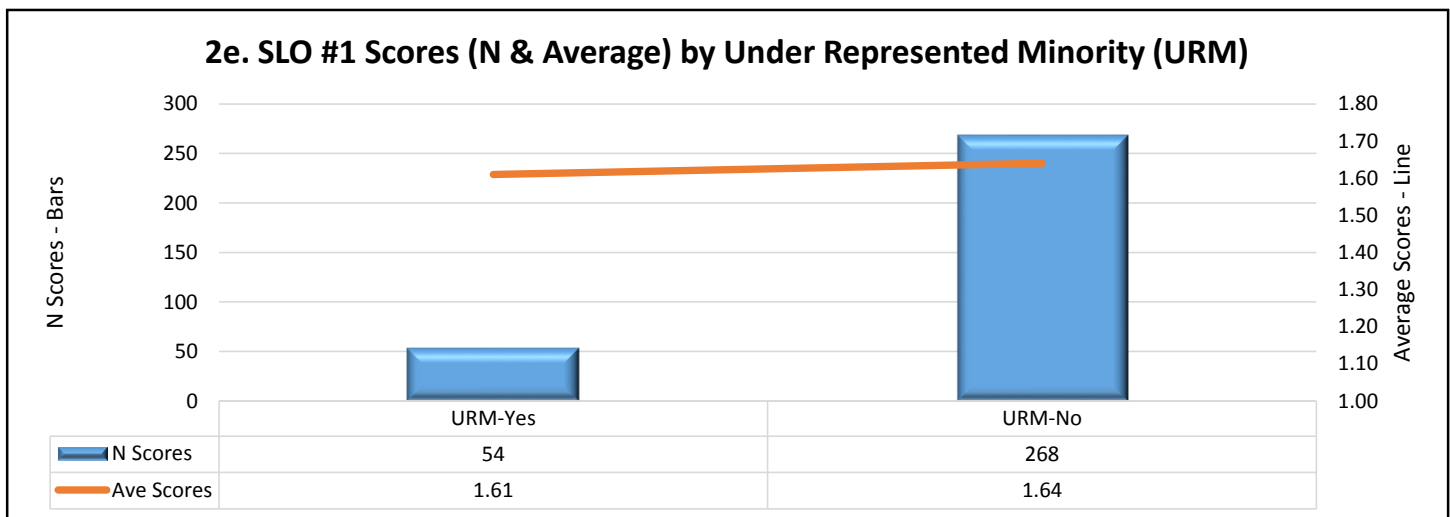

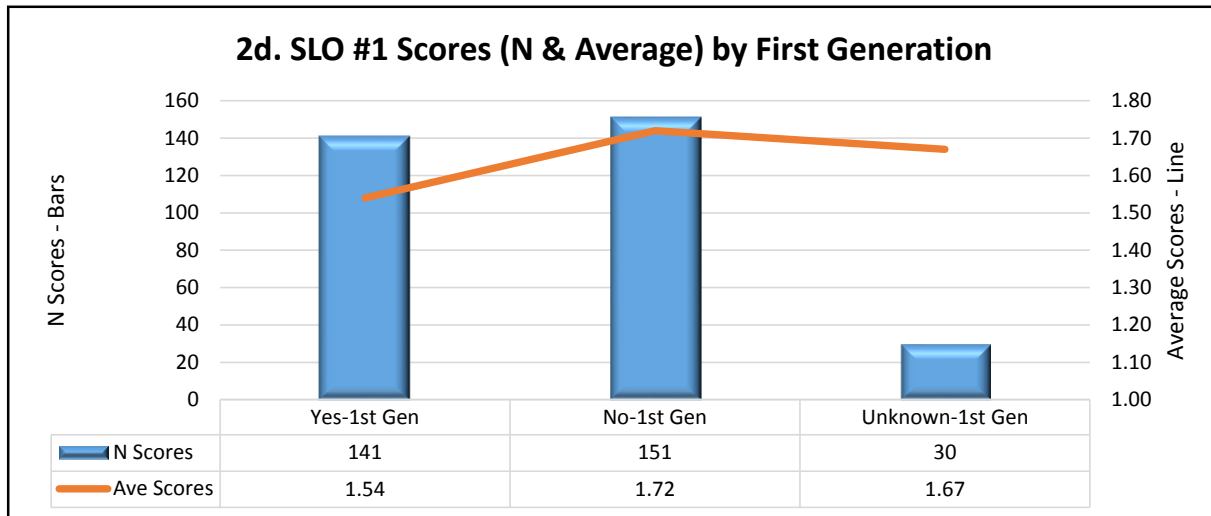

NOTE: There were two scorers evaluating each artifact, so the total number of scores available for each SLO is 598, the unduplicated number of all artifacts is 299. Anything other than scores 1 - 4 were removed from these calculations.

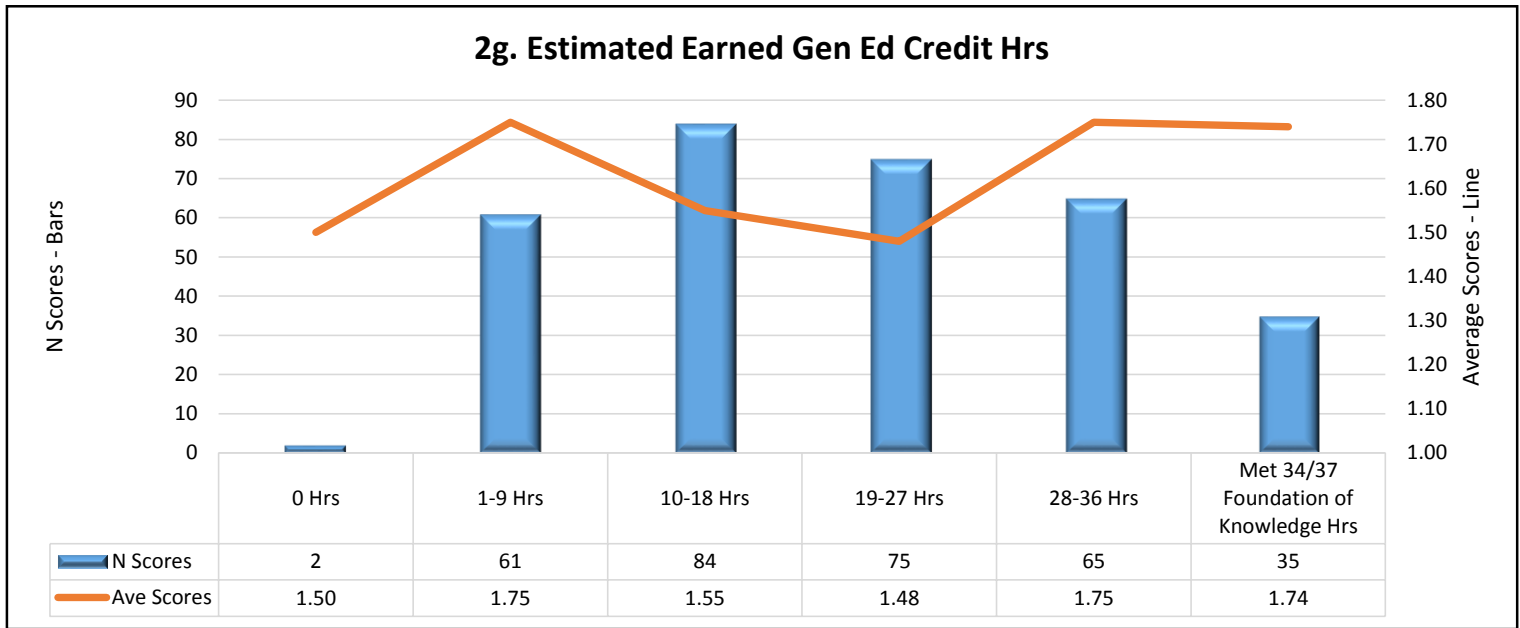

2. Gen Ed 2016-17 - Number & Average Scores for SLO #1 (B2/B3) for Artifacts With Scores

2. Gen Ed 2016-17 - Number & Average Scores for SLO #1 (B2/B3) for Artifacts With Scores

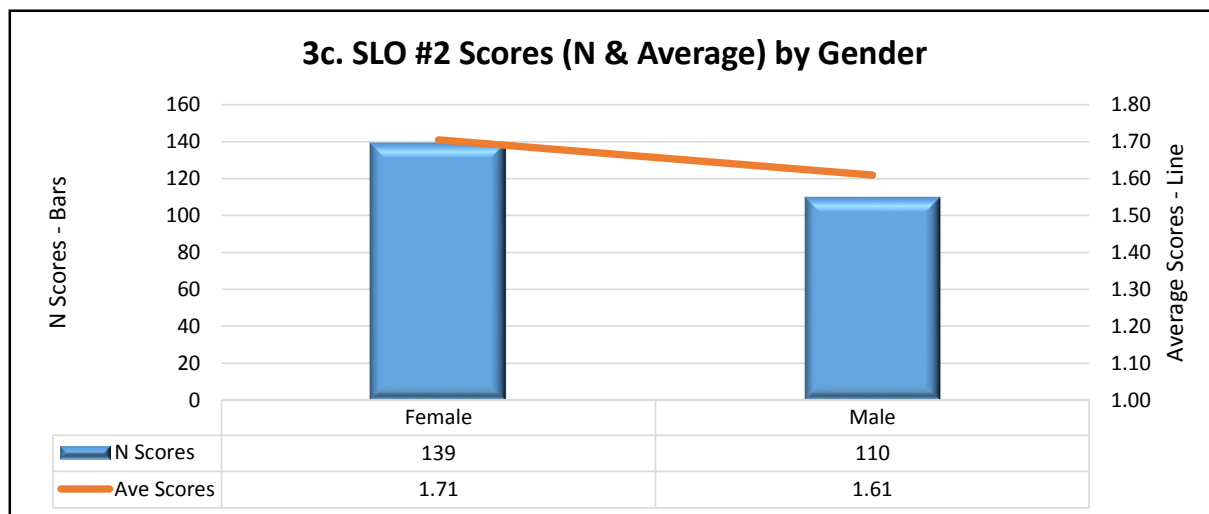

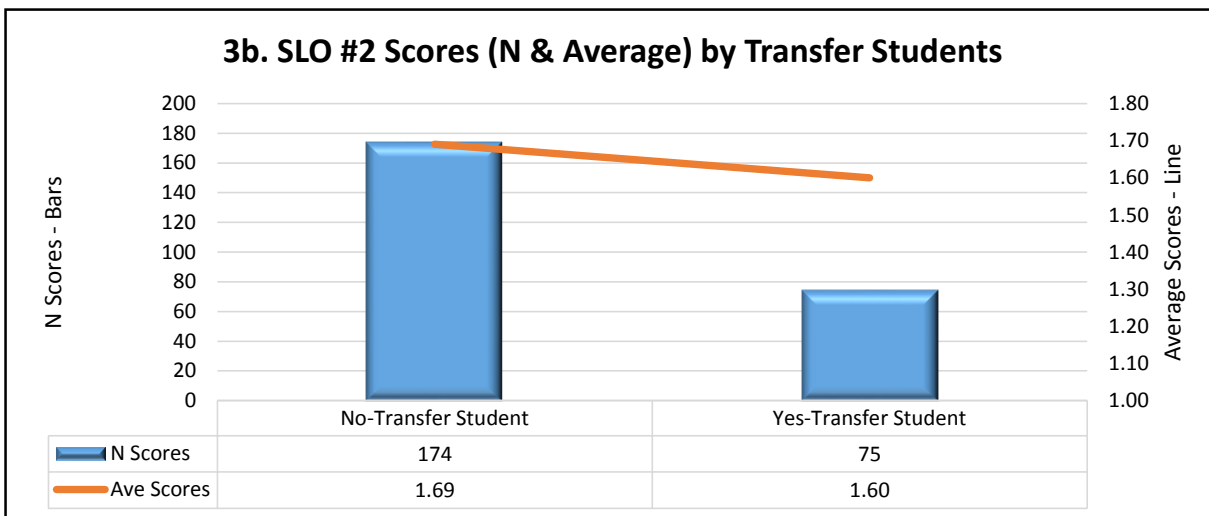

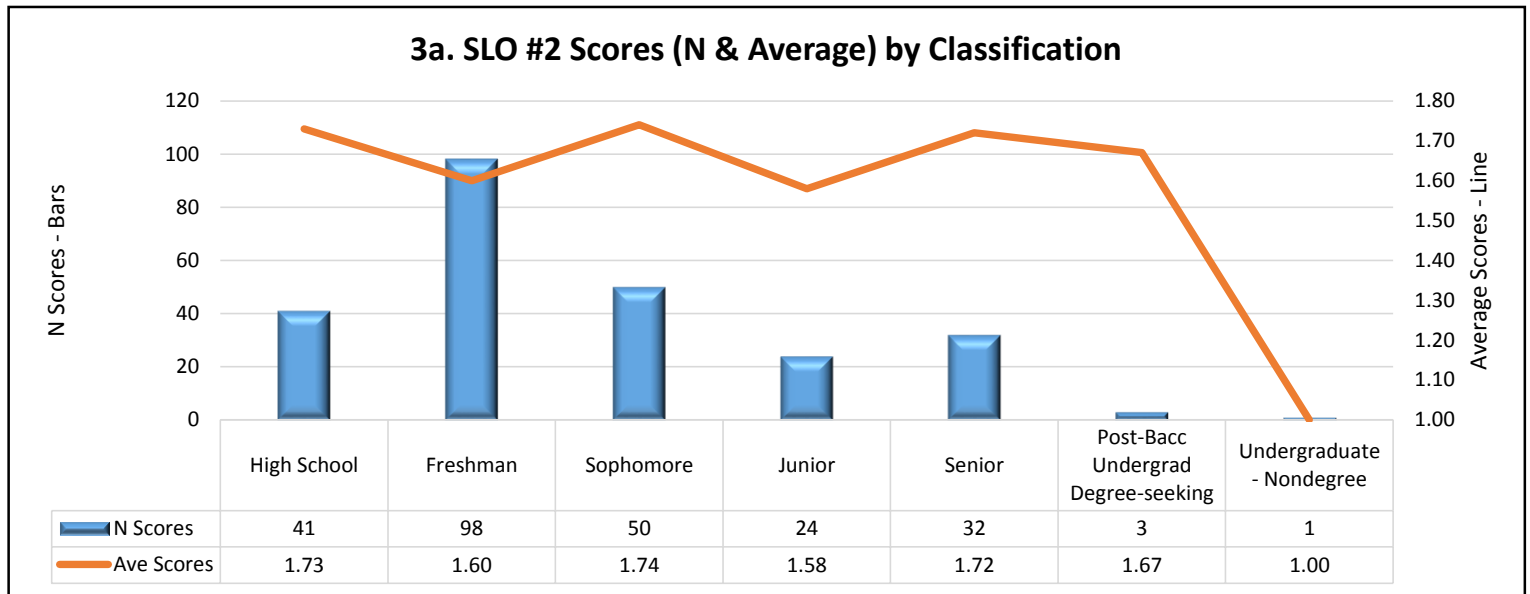

2. Gen Ed 2016-17 - Number & Average Scores for SLO #1 (B2/B3) for Artifacts With Scores

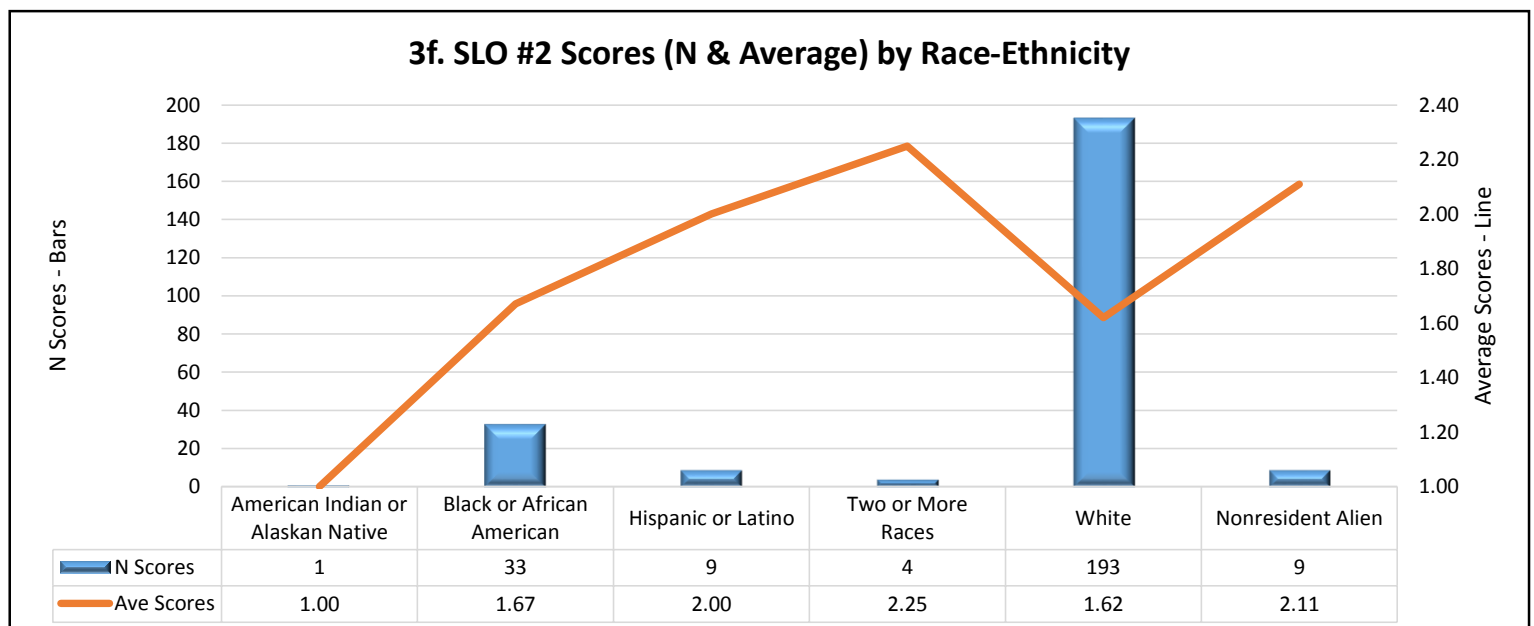

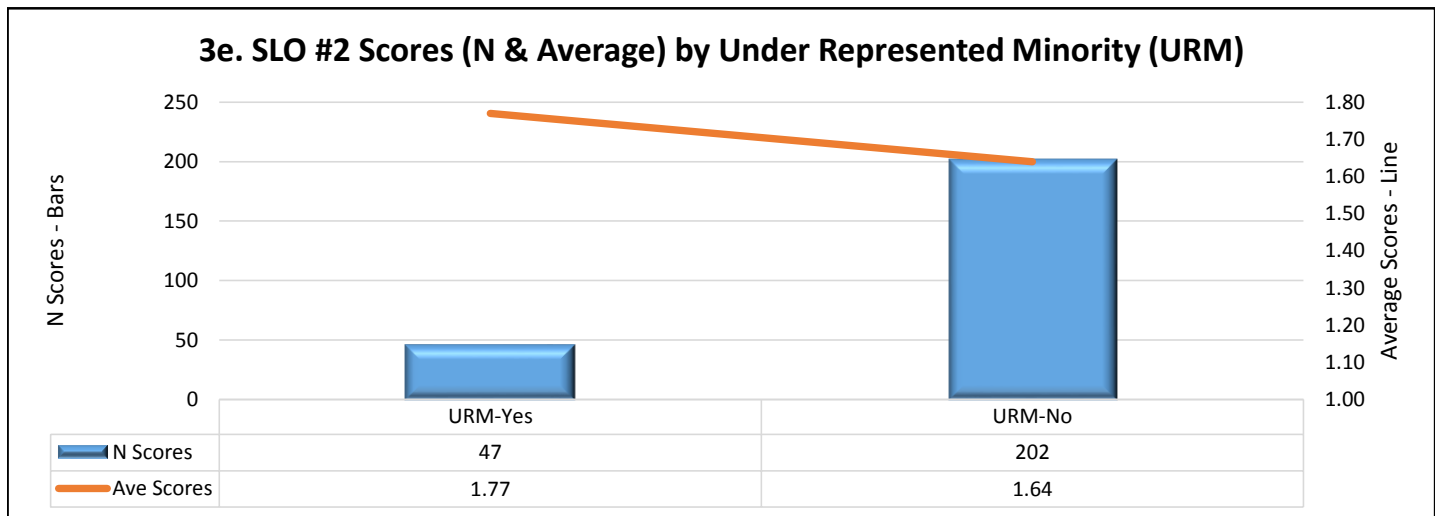

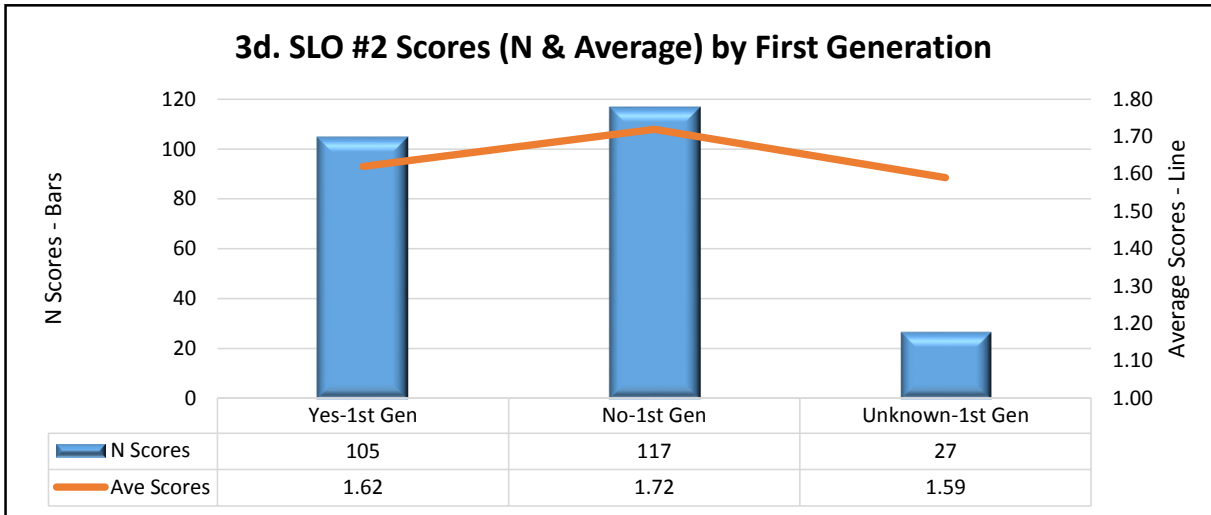

NOTES:

1. There were two scorers evaluating each artifact, so the total number of scores available for each SLO is 598, the unduplicated number of all artifacts is 299. Anything other than scores 1 - 4 were removed from these calculations.
2. **Estimated Earned Gen Ed Credit Hrs** are estimated because these data are not based on degree audits but based on data that does not take into account the multiple variables that go into the final determination of successfully completing the general education requirements. Credit hours are cumulative as of the end of the Spring 2017 semester.
3. **Met 34/37 Foundation of Knowledge Hrs** = Students in ENG 151H completing 34 gen ed hours or all other students completing 37 gen ed hours. These students are not included in the **28-36 Hrs** figures.

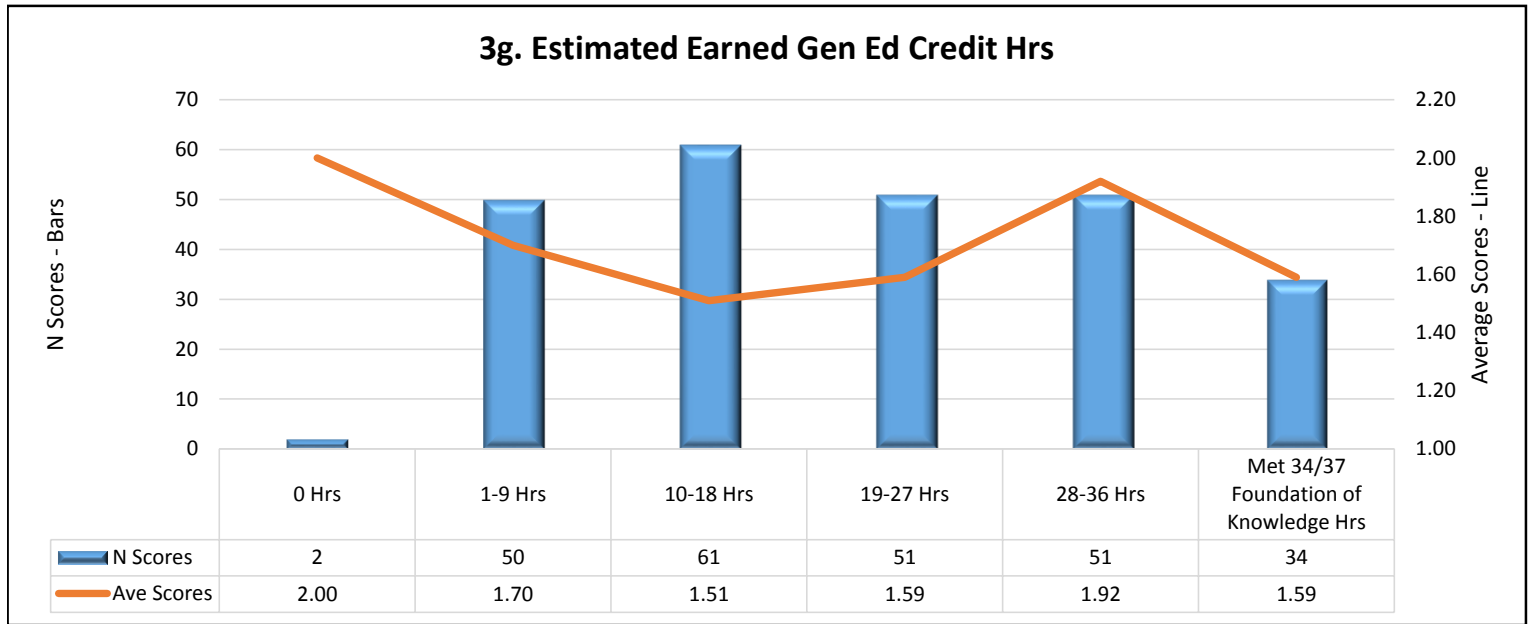

3. Gen Ed 2016-17 - Number & Average Scores for SLO #2 (B4) for Artifacts With Scores

3. Gen Ed 2016-17 - Number & Average Scores for SLO #2 (B4) for Artifacts With Scores

3. Gen Ed 2016-17 - Number & Average Scores for SLO #2 (B4) for Artifacts With Scores

NOTES:

1. There were two scorers evaluating each artifact, so the total number of scores available for each SLO is 598, the unduplicated number of all artifacts is 299. Anything other than scores 1 - 4 were removed from these calculations.
2. **Estimated Earned Gen Ed Credit Hrs** are estimated because these data are not based on degree audits but based on data that does not take into account the multiple variables that go into the final determination of successfully completing the general education requirements. Credit hours are cumulative as of the end of the Spring 2017 semester.
3. **Met 34/37 Foundation of Knowledge Hrs** = Students in ENG 151H completing 34 gen ed hours or all other students completing 37 gen ed hours. These students are not included in the **28-36 Hrs** figures.

General Education Artifact Evaluation 2016-2017

Grand Total	212	70.90%	87	29.10%	299	100.00%

Notes:

- The student data on this page are unduplicated. The percentages are based on the **Grand Total** of **Total N Students** for each table.
- The unduplicated students with scores 1 - 4 for SLO #1 is 74% (222 of 299) and SLO #2 is 60% (179 of 299).
- Estimated Earned Gen Ed Credit Hrs** are estimated because these data are not based on degree audits but based on data that does not take into account the multiple variables that go into the final determination of successfully completing the general education requirements.
- Met 34/37 Foundation of Knowledge Hrs** = Students in ENG 151H completing 34 gen ed hours or all other students completing 37 gen ed hours. These are not included in the **28-36 Hrs** figures.

World Languages & Literatures						
Grand Total	219	1.69	103	1.51	322	1.634

Notes:

1. There were two scorers evaluating each artifact, so the total number of scores available for each SLO is 598, which is twice the number of total artifacts of 299. However, all blank, N/A and "0" were removed from these calculations.
2. If a student had a STEMH first or second major, they are listed as **STEMH (1st/2nd) Major**, and associated STEMH dept is shown. If **Not STEMH Major**, only the student's first major dept is shown.

SLO #1 (B2/B3) Rubric

CULTURAL PLURALISM

(SLO B2/B3)

1. Students compare cultures from historical, local, national, or global perspectives. (Covers B2/B3)

Knowledge of multiple cultural perspectives	Offers sophisticated comparison of other cultures in relation to their history, values, politics, communities, economy, geography/environment, government, beliefs and practices.	Accurately compares other cultures in relation to their history, values, politics, communities, economy, geography/environment, government, beliefs, <u>practices</u> .	Partially compares other cultures in relation to their history, values, politics, communities, economy, geography/environment, government, beliefs or practices.	Identifies elements necessary for comparison of cultures in relation to their history, values, politics, communities, economy, geography/environment, government, beliefs or practices.
Level of Learning	4—Capstone Extensive analysis= salient elements are included and comparison is outstanding and illuminating.	3—Milestone Satisfactory analysis= salient elements are included and comparison is correct.	2—Milestone Partial analysis= not all salient elements are included or comparison is incorrect.	1—Benchmark Identification= list of elements for comparison may be included (or partial) but no comparison is offered.

SLO #2 (B4) Rubric

CULTURAL PLURALISM

(SLO B4)

2. Students demonstrate how literature and the arts (cultural artifacts**) reflect and influence cultures. (Covers B4)

** "Cultural artifacts" is a broad term and can include literature, arts, and creative expressions of all types.

+

Knowledge Cultural awareness	Articulates sophisticated understanding of the ways that cultural artifacts reflect and influence culture.	Articulates understanding of the ways that cultural artifacts reflect and influence culture.	Articulates adequate understanding of the ways that cultural artifacts reflect and influence culture.	Articulates minimal understanding of the ways that cultural artifacts reflect and influence culture.
Level of Learning	4—Capstone Artifacts are richly described and shown clearly and thoroughly to reflect AND influence culture.	3—Milestone Artifacts are described and shown to reflect AND influence culture.	2—Milestone Artifacts are described and shown to at least partially reflect AND influence culture.	1—Benchmark Artifacts are described and shown to reflect OR influence, but not both. List may be partial.
