

MAXIMIZE YOUR BENEFITS

Some schools may promote higher stipends, but are they really higher? Do the math and be sure to check all costs and fees.

Questions to ask:

- What programs and services do you offer?
- Do you provide easy access to School Certifying Officials (SCOs)?
- Are there direct connections to key resources?

"The VRS program is a benefit assisting veterans and families of veterans alike with the opportunity to obtain dreams that go beyond the uniform of honor and integrity. My husband is a retired US navy veteran, and his sacrifices have offered me a chance at an education. Thank you VRS, you are a relief to not only NKU but to me as a retiree's wife."
