

Office for Student Accessibility (OSA)

Did you know that the Office for Student Accessibility (OSA) at Northern Kentucky University helps to ensure that qualified online students are provided equal access to academic and co-curricular programs through reasonable accommodations, appropriate to their disability?

The OSA can help you:

- Register with the OSA
- Request an accommodation letter or exam accommodation
- Request alternative text
- Get information on voter registration
- Find accessible routes (if you will be visiting the campus in-person)
