

FROM THE DESK OF A NORSE

Statement of Gratitude:

My name is **Insert Name**, and I am very proud and grateful to be receiving the **Donor-Funded Scholarship**. I am a sophomore at Northern Kentucky University. I am an Education major and Math minor who hopes to teach math and science to middle school students upon completion of my degree. I chose this field of study because I have always loved school, especially math, and I hope to motivate students to love learning as much as I do.

Attending Northern Kentucky University has always been a dream of mine. My mother and father both went to NKU, and we often came to campus to attend basketball games. I grew up in **Hometown, State**, and I graduated from **High School**. I am a member of the **Club/Program**. I am also involved in my community through my volunteer work at **Organization**, and I have a part-time job at **Employer**. In my free time, I like to attend drama productions, take dance classes, and play basketball in the gym.

This scholarship is making a huge difference in my life. By making this scholarship possible at NKU, you are allowing recipients like me to concentrate more on what is important: my education and involvement in my community, including my NKU community. I rely on a variety of financial aid to help finance my education. Receiving this scholarship will help me reduce my financial burden and provide assistance for me as I work toward my dreams. I want to express my gratitude for everything you are helping me to achieve here at Northern Kentucky University.

Sincerely,
Name
