Psychiatric Mental Health Verification Form

Applicants to the Psychiatric Mental Health Nurse Practitioner Program (PMHNP) must have 2000 clinical hours in Psychiatric Mental Health as an RN.

These hours may include inpatient or out-patient psychiatric/mental health/behavioral health experience as an RN. This experience must be on an inpatient or out-patient unit/clinic where the patients are primarily treated for psychiatric/mental health/behavioral health diagnoses. Hours in ER, ICU, Medical, Surgical, or other units where the primary focus of care is not psychiatric/mental health/behavioral health are NOT acceptable.

Include the completed form with your application materials to:
