<sup>1</sup>The proportion of the population that is full-time will strongly influence the average earned credit hours per semester.

<sup>2</sup>This ECH is calculated with all students, both FT and PT. The PT status effects this measure of ECH, but can be used to highlight how Greek members are full-time enrollees and advancing towards their degree at a faster rate than their other same sex peers.

This report used fall 2017 preliminary grades that were pulled in January 2018. Grades are not finalized until March 2018. Therefore these GPAs are subject to change slightly.
