*Includes only those students who are seeking a first bachelor's or a first associate's degree, and excludes SBS.

¹The proportion of the population that is full-time will strongly influence the average earned credit hours per semester.

²This ECH is calculated with all students, both FT and PT. The PT status effects this measure of ECH, but can be used to highlight how Greek members are full-time enrollees and advancing towards their degree at a faster rate than their other same sex peers.

This report used spring 2020 preliminary grades that were pulled in June 2020. Grades are not finalized until August 2020. Therefore these GPAs are subject to change slightly.
