*Includes only those students who are seeking a first bachelor's or a first associate's degree, and excludes SBS.

¹The proportion of the population that is full-time will strongly influence the average earned credit hours per semester.

²This ECH is calculated with all students, both FT and PT. The PT status effects this measure of ECH, but can be used to highlight how Greek members are full-time enrollees and advancing towards their degree at a faster rate than their other same sex peers.
