

# Manage your plan online

MyHumana: Your dental plan at your fingertips

Once you become a Humana dental plan member, you can register for MyHumana. You'll get quick and secure access to your dental plan information anytime, anywhere:

- View, print and email your ID card
- Check your claims status
- Review deductibles and coverage details
- Chat with a representative about any of your dental plan questions
- Access your exclusive member discounts

To learn more about MyHumana and how to register once you become a member, scan the QR code or download the flyer [here](#).

**MyHumana**  
Your dental plan at your fingertips  
Your personal MyHumana account gives you quick, convenient and secure access to your Humana dental plan information. It's available anytime, anywhere.

View, print and email your ID card. ID cards are mailed within 10 days of enrollment. If you need to see a provider in your network, you need to use a provider ID and not a real ID.

View a helpful dental plan "top stories" page.

Check your claim status.

Review deductibles, coverage details and more.

Find an in-network dentist near you.

Chat with a representative about any of your dental plan questions.

Get connected for a virtual appointment.

Registering is easy:

1. Click on the MyHumana logo and select "I'm a member" and click the "Start registration" button.
2. Select "Something else" in your plan type.
3. Enter your account ID number (ID card ID) and ZIP code. Verify your identity with a one-time code.
4. Create a username, password and security prompt and choose "Yes" to finish.

Check MyHumana app options:  
Download the MyHumana mobile app. Available for iPhone, iPad and Android. Tap for more coverage details on Humana.com.
