## A Message to Faculty and Staff

Welcome to Northern Kentucky University's 2024 Benefits Bulletin, designed to provide awareness of the programs we offer and to help you make informed benefits decisions for you and your family. The health and wellness of our NKU community is a top priority and we are pleased to provide you comprehensive benefit offerings encompassing everything from health and wellness to disability insurance and retirement.

**Due to our significant investments in health and wellbeing initiatives, there is no increase to our medical insurance premiums this year. What is changing is our provider, from Humana to UMR/United Health Care.**

Your hard work, dedication, and many contributions play an important role in our mission to deliver an innovative, student-centered education. As part of Human Resources' commitment to foster a culture of health and wellness, we provide you with access to a variety of tools and resources which can be found on the [NKU benefits website](#).

Sincerely,

Lori Southwood  
Chief Human Resources Officer  
Northern Kentucky University

## What is Annual Enrollment?

During annual enrollment you have the opportunity to review, change or continue benefit elections for each year. Changes are not permitted during the plan year unless you have a qualifying life event.

This year we are doing active enrollment which means that action is required. **You MUST enroll in medical, health savings accounts and flexible spending accounts to have coverage in 2024. All other elections will rollover to 2024 unless you make changes during the Annual Enrollment window.** You can view your current benefits enrollment by clicking on the My Benefits tab in MyNKU.

**YOU MUST ENROLL FOR MEDICAL AND SAVINGS ACCOUNTS OR RISK HAVING NO COVERAGE IN 2024.**

**The enrollment site will open beginning at noon on Monday, October 23rd through midnight on Thursday, November 9th.**

# UNDERSTANDING YOUR HEALTH CARE PLAN

## POINT OF SERVICE (POS)

- A plan that offers point of service (POS) care, with the option of choosing physicians and services from both in- and out-of-network providers. Predictable co-pays.

## HEALTH MAINTENANCE ORGANIZATION (HMO)

- A plan that covers care provided by in-network physicians with predictable co-pays. There is no out-of-network coverage, except for emergency care.

## HIGH DEDUCTIBLE HEALTH PLAN (HDHP)

- A plan that offers lower premiums and large network of providers. Members pay 100% of service cost until deductible is met.

## TIPS FOR SELECTING A HEALTH PLAN

You may want to consider factors such as access to doctors, cost of benefits, prescription drug formulary, and budget when selecting a plan.

### Other tips to keep in mind:

- Identify your needs and the needs of your family members.
- Understand the basics of how your health plan works.
- Consider your out-of-pocket costs, as well as copays for prescription drugs, office visits, lab tests and hospitalization.
- Review the plan networks.
- Review the plan covered benefits and exclusions.
- Consider any life changes that may occur in the coming year.

### HELPFUL DEFINITIONS:

- **In-network:** The vendor has agreed to a negotiated rate with the provider.
- **Out-of-network:** Provider has no agreement with vendor.
- **Deductible:** You pay 100% of services until you reach this number (not including co-payments.)
- **Co-Payments:** Fixed dollar amount for doctor visits and pharmacy.
- **Co-Insurance:** After deductible, the percent of cost shared between you and the plan.
- **Out-of-Pocket Maximum:** Your maximum annual financial responsibility for covered services (excluding premium.)

# MEDICAL SERVICES (UMR/UHC)

## COVERAGE

**CHART #1** shows what you will pay when you use in-network medical services. For a full summary of benefits coverage, visit the [Benefits website](#).

## MONTHLY COST

All costs on **CHART #2** are deducted before tax. Biweekly employee costs are half of the monthly amount from the first two paychecks each month. Costs for extended family members [can be found online](#).

## SPOUSAL SURCHARGE

If your spouse has coverage available through their employer but chooses to be covered under the NKU plan, you must pay an additional \$35 per month (\$420 per year).

You **DO NOT** need to pay a spousal surcharge if:

- Your spouse is employed at NKU.
- Your spouse is self-employed.
- Your spouse is employed but not offered medical coverage through his/her employer.
- Your spouse is not externally employed.

## ALL OPTIONS:

Use **CHART #3** to estimate your 2024 prescription drug costs. All specialty prescriptions must be filled through Accredo to be covered. Specialty prescriptions filled through any other source will NOT be covered. A list of covered prescription drugs are available on the [Benefits Pharmacy website](#).

## HDHP OPTION ONLY:

Certain prescriptions, when taken on a regular basis, help control chronic conditions. These prescriptions will be covered with a 15% coinsurance up to the deductible. A list of the drugs eligible for 15% coinsurance can be found at [can be found online](#).

## PRESCRIPTION COVERAGE:

You are automatically enrolled in prescription coverage if you are enrolled in one of our health plans. Express Scripts, the company managing your prescription drug benefit, provides 24-hour customer service, web-based drug information, and an integrated mail/home pharmacy service.

Know Your Rx is a member of the Know Your Rx Coalition, which is staffed with consulting pharmacists to assist you with your NKU Prescription benefit. Services of Know Your Rx include:

- Identification of lower cost prescription alternatives.
- Direct contact with pharmacists.
- Contacting physician to facilitate seeking authorization for lower cost alternative therapies.
- Assistance working with Express Scripts to fill your prescriptions in a timely and easy manner.
- Drug interaction management.

Sometimes medicines can change categories (generic, preferred brand, non-preferred brand). It's always a good idea to check which category of your medicine. To view the current prescription drug formularies, visit the [NKU Pharmacy website](#). Questions? **Please call our pharmacists with the Know Your Rx Coalition at (855) 218-5979 for information specific to your medication, formulary and costs.**

# HEALTH SAVINGS ACCOUNT

(CHARD SNYDER)

## 2024 MAXIMUM ANNUAL CONTRIBUTIONS

**CHART #4.** The IRS limit is the total of the NKU contribution and your maximum contribution. You can make changes to your HSA contributions at any time during the year. We've done the math for you!

### CONTRIBUTIONS

- You must enroll in the health savings account to receive the NKU contribution.
- You are not required to contribute to the account.
- NKU contributions are prorated and made over the entire year.
- If you contribute, your annual contribution is deducted before tax on a prorated basis throughout the year.

**CHART #4: CONTRIBUTIONS**

## USING YOUR HEALTH SAVINGS ACCOUNT

- ✓ You can use your health savings account to pay for IRS-eligible medical, prescription drug, dental or vision expenses. Go to IRS Publication 502 at [www.irs.gov](http://www.irs.gov) to see a list of eligible expenses.
- ✓ If you do not use the money in your account, it rolls over to the next year. You cannot contribute more than the annual maximum, but there is no maximum account balance.
- ✓ Your health savings account is like a checking account (with a debit card). Before using the card to pay an expense, be sure you have money in your account, or, like your personal checking account, you could be charged overdraft fees.
- ✓ This is your account. You are responsible for providing receipts for eligible expenses should you be audited by the IRS.

## IMPORTANT ELIGIBILITY INFORMATION

Health savings accounts are possible as a result of IRS rules about who can enroll, how much can be contributed and how your account can be used. Under these rules you can enroll in a health savings account if you are:

- Enrolled in the high deductible health plan (HDHP) medical option.
- Not covered by another health care plan (for example, covered by your spouse's medical plan).
- Not covered by Medicare (Parts A, B, C or D).
- Not covered under another flexible spending account (for example, covered by your spouse's flexible spending account).
- Not eligible to be claimed as a dependent on another's tax return.

# FLEXIBLE SPENDING ACCOUNT

(CHARD SNYDER)

**CHART #5.** Chard Snyder will continue to administer the flexible spending accounts.

### If you had a flexible spending account in 2023 and want an account in 2024:

- You must enroll and select your amount for 2024.
- Keep your Benny card (if applicable). It will be reloaded with your 2024 elected amount.

**CHART #5: CONTRIBUTIONS**

	ANNUAL	
	Minimum	Maximum
DAY CARE	\$60	\$5,000
HEALTH CARE		\$2,850
LIMITED HEALTH CARE (DENTAL/VISION ONLY IF IN HDHP MEDICAL)		

The IRS regulates these accounts using these rules:

- Your contributions can only be used for eligible expenses. Refer to the list of eligible expenses at [www.chard-snyder.com](http://www.chard-snyder.com).
- Each account is a separate election that must be made each year.
- Money in one account cannot be transferred to another account.
- Your contribution cannot be changed during the year unless you have a qualified change such as marriage, birth of a child, etc.
- There is no rollover of account balances at year end. If you do not use the money during the year, you lose it.

# DENTAL COVERAGE (DELTA DENTAL)

## COVERAGE

**CHART #9** shows what you will pay when you obtain dental services.

## MONTHLY COSTS

**CHART #7.** NKU is continuing to subsidize the cost of coverage for full-time employees.

**CHART #8 & 9.** Eligible, part-time employees will pay full premium. NKU spouses pricing does not apply, as this is an employee pay all option.

All costs are deducted before tax. Biweekly employee costs are half of the monthly amount from the first two paychecks each month. Costs for extended family members can be found on the Benefits website or requested from [benefits@nku.edu](mailto:benefits@nku.edu).

Detailed information about covered services can be located on the Benefits website under Dental coverage.

<sup>1</sup> Must remain enrolled in this option for two enrollment cycles

<sup>2</sup> In-network and out-of-network benefit calculated at Delta Dental Premier network negotiated rates (NNR). Out-of-network providers may bill you for any difference between their billed charge and the NNR.

<sup>3</sup> Deductible does not apply to preventive services or orthodontia. Deductible applies to basic/minor and major services. After the deductible, you pay the percentage shown. The plan pays the difference.

<sup>4</sup> Three or more family members' expenses can be combined to meet the family deductible.

<sup>5</sup> Orthodontia only covered for dependents under age 19.

# BASIC & OPTIONAL LIFE

## and accidental death & dismemberment (ad&d) insurance (HARTFORD)

NKU provides **Basic Life and AD&D** insurance equal to your **Jan. 1** annual base pay rounded to the next thousand. Basic life pays a benefit to your selected beneficiaries upon your death from any cause. Basic AD&D pays an additional benefit to your selected beneficiaries upon your death as a result of an accident and a percentage to you in the event of loss of limb or sight.

You can purchase **Optional Life/AD&D** insurance coverage with after tax payroll deductions. This coverage is in addition to your NKU provided Basic Life/AD&D coverage. You can purchase coverage equal to an additional one, two, three, four or five times your basic life coverage. The value of your combined coverage (basic plus optional) cannot exceed \$250,000 without providing medical **Evidence of Insurability (EOI)**. If already enrolled, EEs & dependents must provide EOI for an increase of more than one level. If not already enrolled, they must submit EOI for any amount of coverage (including an initial amount). EOI is required for any amount over \$250,000.

The **cost** of coverage is based on the option you elect, your age and your salary as of **Jan. 1**. Your cost is fixed as of **Jan. 1**, and will not change during the year. **CHART #13** shows the monthly cost of coverage and how to estimate your cost. The annual cost for each option is also shown in the online enrollment process. Please note that this cost is an after-tax deduction.

## DEPENDENT LIFE: CHILD AND/OR SPOUSE

CHART #15

CHILD	
COVERAGE	MONTHLY COST
\$5,000	\$0.95
\$10,000	\$1.90

**CHART #15** shows the coverage options and costs to cover one or more of your **dependent children**. Cost is the same whether you are covering one child or several. There is no evidence of insurability required to obtain, increase or decrease dependent life – child coverage.

**NOTE:** If your spouse works for NKU in a benefit-eligible position, only one of you may elect dependent life child coverage.

CHART #16

SPOUSE	
COVERAGE	MONTHLY COST
\$10,000	\$2.30
\$25,000	\$5.75
\$50,000	\$11.50

**CHART #16** shows the coverage options and costs to cover your **spouse**. Evidence of insurability is required to obtain any level or any increase in dependent spouse coverage. Decreases in coverage do not require evidence of insurability.

**NOTE:** If your spouse works for NKU in a benefit-eligible position, you and your spouse may not elect dependent life spouse coverage.

**Refer to page 12 for dependent definitions.**

## BENEFICIARIES

Hartford does not retain the beneficiary information for you. You can obtain a beneficiary enrollment form from the benefits website to update the information. Keep the original and send a copy to the benefits team.

# SHORT & LONG-TERM DISABILITY (HARTFORD)

Purchasing short-term disability coverage allows you to receive income benefits when you are unable to work after a 15- or 30-consecutive day absence. You choose if you want benefits to begin after 15 days or 30 days. You can receive this benefit until the earlier of:

- You recover and return to work.
- Six consecutive months of absence (when you are eligible to apply for long-term disability.)
- The Hartford considers you no longer disabled.

You can purchase coverage in \$100 units of weekly benefit, not to exceed the lesser of:

- 60% of your annual base pay (rounded down to the nearest \$100.)
- 25 units.
- NKU partners with The Hartford to provide Long Term Disability coverage to eligible employees. Long Term Disability provides monthly income should you become unable to return to your job after six consecutive months of absence as a result of a non-work related illness or injury.

## COST

- You pay for coverage with after-tax deductions.
- Short-term disability benefits are not taxable when paid to you.

### Step 1:

Determine the maximum number of \$100 units you can purchase using **CHART #16**.

### Step 2:

Number of \$100 units you wish to purchase \_\_\_\_\_ multiplied by monthly cost - **CHART #18** x \_\_\_\_\_ equals monthly cost of coverage = \_\_\_\_\_

## CHART #17

## OTHER EMPLOYEE BENEFITS

### STAFF AND FACULTY RETIREMENT PLAN

All full-time faculty and staff regularly scheduled and working 20 hours per week or more are required to participate in the university's 403(b) plan. Participation begins after 90 days of employment. The employee contribution is 5% of regular base pay on a before-tax basis. NKU contributes 10%. The employee is 100% vested (owns) both their own and NKU contributions immediately. The 403(b) plan is offered through TIAA with a choice of 35 different investment options. Employees who previously participated in a TIAA account, may begin contributions immediately by providing a copy of their current TIAA account statement to Human Resources.

**As of 7/1/21, all current staff hired prior to 1/1/2014 will continue in the Kentucky Public Pension Authority plan (KPPA) as a Tier 1 or 2 participant until retirement with no changes in benefits.**

### OPTIONAL RETIREMENT PLANS

Eligible employees may choose to participate in several additional retirement savings plans offered through TIAA and the Kentucky Deferred Compensation Authority.

### VACATION LEAVE FOR STAFF & FACULTY

Vacation leave provides the opportunity for rest, recreation and relaxation necessary to maintain effective work performance. Vacation leave begins accruing on a pay-period basis from the initial date of employment. However, employees may not begin to use vacation until after successful completion of their initial 90-day probationary period.

For more information about vacation accruals, please visit the payroll website, <https://inside.nku.edu/hr/payroll.html>

### SICK LEAVE FOR STAFF & FACULTY

Sick leave is designed to cover employees and their dependents for the occasional absences for short-term illnesses (flu, cold, etc.) as well as for an extended illness or incapacitation. Sick leave allowance begins accumulating on the date of hire, but is not available for use until the 90-day probationary period is completed. Unused sick leave will not be paid upon separation from the university.

Sick leave may be accumulated without limitation. Full-time staff members accrue one day of sick leave for each calendar month of employment. Part-time staff accrue sick hours based on actual hours worked.

### TUITION WAIVER

NKU provides a tuition waiver benefit to employees and their legal spouses and dependent(s) for undergraduate courses only. Employees can utilize the tuition waiver for undergraduate, graduate or law classes. The benefit allows for a maximum of six credit hours per semester for full-time employees and three credit hours for part-time employees.

Classes may not be taken during an employee's normal working hours without prior written approval. Employees may not receive the waiver if they have terminated employment—voluntarily or involuntarily—or submitted written notice of intent to terminate prior to the first day of classes for which the waiver is requested.

The tuition waiver also provides a benefit to the employee's spouse and eligible dependent(s). Spouses and eligible dependent(s) must meet admissions requirements to NKU and the college/program to which they are applying. Spouses and dependents of full-time employees can receive up to 6 credit hours per semester; part-time up to 3 credit hours per semester.

## HOLIDAYS

Nine legal holidays are observed by the university.

- New Year's Day
- Martin Luther King, Jr. Day
- Memorial Day
- Juneteenth
- Independence Day
- Labor Day
- Presidential Election Day
- Thanksgiving Day & Day After
- Christmas Eve & Christmas Day

The Board of Regents or the president may grant special holidays in addition to those listed above.

# ENROLLMENT INFORMATION

## WHO CAN YOU COVER?

You can cover the following dependents under medical, dental, vision and dependent life insurance:

**Your spouse.** Legally married couples, including same-sex couples.

**Your dependent children** including your children, step, children, foster children and children for whom you are the legal guardian.

**Your Extended Family Members** who meet the following criteria:

- Age 18 or older and mentally competent to consent, and either not related to the employee by blood, adoption or marriage, and is of the same or younger generation than you and;
- Not legally married, and;
- Must reside in your household for a minimum of 12 months, and;
- Must be financially interdependent for 12 months or longer.

You must be able to provide proof of financial interdependence through at least one of the following means:

- A joint mortgage, lease or other evidence of common residence such as utility bills in both of your names.
- Durable property or health care power of attorney.
- Joint ownership of a motor vehicle.
- Joint checking account or credit card in both of your names.
- Designation of each other as the primary beneficiary in a will, life insurance policy or retirement plan.

**PLEASE NOTE:** You can elect coverage for your spouse or an extended family member but not both. Coverage for your dependents will continue for medical, dental, vision and dependent life until the earlier of the end of the month in which:

- The individual no longer meets the definition as your dependent.
- Your dependent children or your extended family member's children attain age 26.

# ANNUAL NOTICES

## Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the Northern Kentucky University medical plan. If you would like more information on WHCRA benefits, contact Benefits at (859) 572-5200.

## Statement of Rights Under Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). However, to use certain providers of facilities, or to reduce your out-of-pocket

cost, you may be required to obtain precertification. For information on precertification, contact the Customer Service Unit telephone number on your medical identification card.

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in the state listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are not currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1 (877) KIDS NOW or visit [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, you can ask the state if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or by calling toll free 1 (866) 444-EBSA (3272).

If you live in one of the states below, you may be eligible for assistance paying your employer health plan premiums. You should contact your state for further information and eligibility.

## Michelle's Law Notice - Extended Dependent Medical Coverage During Student Medical Leaves

The NKU plan may extend medical coverage for dependent children if they lose eligibility or coverage because of a medically necessary leave of absence from school. Coverage may continue for up to a year, unless your child's eligibility would end earlier for another reason.

Extended coverage is available if a child's leave of absence from school or change in school enrollment status (for example, switching from full-time to part-time status) starts while the child has a serious illness or injury, is medically necessary and otherwise causes eligibility for student coverage under the plan to end. Written certification from the child's physician stating that the child suffers from a serious illness or injury and the leave of absence is medically necessary may be required.

If your child will lose eligibility for coverage because of a medically necessary leave of absence from school and you want his or her coverage to be extended, call or email the Benefits team as soon as the need for the leave is recognized. In addition, contact your child's health plan to see if any state laws requiring extended coverage may apply to his or her benefits.

# Creditable Coverage Disclosure for Point of Service and Health Maintenance Organization and High Deductible Health Plan

## Important Notice from Northern Kentucky University About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Northern Kentucky University and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO, POS or HDHP) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Northern Kentucky University has determined that the prescription drug coverage offered by the Health Maintenance Organization (HMO) and Point of Service (POS) and High Deductible Health Plan (HDHP) is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered creditable coverage. Because your existing coverage is creditable coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

## When can you join a Medicare drug plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from Oct. 15 to Dec. 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a 2-month Special Enrollment Period (SEP) to join a Medicare drug plan.

## What happens to your current coverage if you decide to join a Medicare drug plan?

If you decide to join a Medicare drug plan, your current Northern Kentucky University coverage will not be affected. You can keep your HMO, POS or HDHP coverage if you elect part D and this coverage will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current Northern Kentucky University coverage, be aware that you and your dependents will not be able to get this coverage back during the year unless you have a qualified status change.

## When will you pay a higher premium (penalty) to join a Medicare drug plan?

You should also know that if you drop or lose your current coverage with Northern Kentucky University and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## For more information about this notice or your current prescription drug coverage....

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage

through Northern Kentucky University changes. You may also request a copy of this notice at any time.

## For more information about your options under Medicare prescription drug coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see inside back coverage of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 1 (800) MEDICARE (633-4227). TTY users should call 1 (877) 486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1 (800) 772-1213. TTY users should call 1 (800) 325-0778.

**REMEMBER: Keep this creditable coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**
