A pet insurance policy can help you plan for your pet’s healthcare—and offset costs for routine care and unexpected illness or injury.

So, how does pet insurance work?

Brought to you by Nationwide®

1. Understand what you’re buying
   - Know what is covered and what isn’t—before you need it. Get a clear understanding of how reimbursements and deductibles work.

2. Choose coverage
   - Do you need a policy for a dog, cat or avian or exotic pet?*
   - *Avian and Exotic Pet Plan is available by phone only.

3. Pick a plan that works for you
   - Choose standalone medical coverage or add wellness coverage for even more protection. Premiums and annual deductibles vary by plan.

4. Enroll pets young and healthy
   - Pre-existing conditions aren’t covered by any pet insurer. Enroll pets when they’re young and healthy to help ensure maximum coverage at a lower cost.

5. Get reimbursed for vet visits
   - Pet insurance policies reimburse eligible veterinary expenses based on a percentage of treatment cost or an annual benefit schedule.
