In consultation with the popular culture program director, students will identify a particular topic of concentration or theme and select related courses from a variety of course offerings. Students interested in the minor must meet with the program director prior to declare the minor, discuss their interests, construct an individual program, and establish rationale for course selection.

Students must earn a grade of "C-" or better and a 2.00 GPA in all courses that apply to the minor. Please consult with your advisor and the appropriate University Course Catalog for all other degree requirements.
