## **INDIVIDUAL TRANSPORTATION OPTIONS**

**YELLOW CAB (Taxi)** - You can hire a yellow cab from outside the Bag Claim Door 5, which will bring you to Highland Heights, KY. You can call for rates and for more information at (001) 859-767-3260. The cost should be around \$45 and it will take about 18 minutes. (Please be aware that the cost will be higher and the ride longer between hours of 4pm - 7pm as this is rush hour). You can also share a cab with a few friends, if you are travelling together. Service is available 24 hours a day. Handicap accessible vehicles can be reserved in advance.

To get a cab, walk Bag Claim and exit by the door that says "Ground Transportation", there will be a line of yellow cabs to your left. If there is no cab, there will be someone at the Customer Service Desk who will call a taxi cab (they are parked just around the corner and sometimes wait to be called).

**RIDESHARE SERVICES** – Both Lyft and Uber operate at the CVG Airport. These are very popular services in the US, especially among students. Uber and Lyft are similar to a taxi service, however you are connected with a reliable local driver instead of a standard taxi cab. You can pay automatically through the Uber App, and fares are usually cheaper than standard taxis. You will need to download their apps, which are available through the Apple and Google Play Store. You will need to put in a bank card as well. Visit their websites for more.

**EXECUTIVE TRANSPORTATION** – Executive Transportation is a private car, on-demand, based on availability, door to door service. Reservations are strongly encouraged in advance. You can request SUVs, Vans, and motor coaches, if necessary. Contact Executive Transportation at (001) 859-757-2628.

**PUBLIC BUS** – You can take public transit (TANK) from the airport to NKU. You will have to however take two different buses, which is not the most convenient option, especially if you have a lot of luggage. To ride the TANK bus, go to the east end of the Bag Claim area. You will take the 2X bus and get off at Fourth at Russell – IN (31mins, 12 stops). There, you will board Bus 25 and get off at John Hills at University (33mins, 51 stops). The total cost will be \$3.50. The TANK bus runs daily from 5 a.m. to midnight. You can call TANK at (001) 859-331-8265 for more information, or visit their website online at <http://www.tankbus.org/>.
