

Northern Kentucky University Institutional Repository Nonexclusive License Agreement

W. Frank Steely Library at Northern Kentucky University (“NKU”) and you as Author (“you”) wish to enter into a nonexclusive license in order to preserve and make widely available your Work (“the Work”) described more fully as:

Title of Work: _____

Description of Material: _____

A nonexclusive license in no way limits you as the copyright holder in making other nonexclusive uses of the Work. You otherwise retain all rights in the Work subject to the nonexclusive grants and conditions of this license and accordingly hold sole responsibility for complying with copyright and other legal requirements that govern the ownership and enforcement rights of Authors. This nonexclusive arrangement allows NKU to make the Work accessible through any technologies and formats but otherwise authorizes no changes in substantive content.

To that end:

1. You grant to NKU and its agents nonexclusive, irrevocable, and worldwide rights and license to reproduce, and distribute, to prepare collectives, compilations, and structural derivatives, to publicly or otherwise perform and display, and to modify the Work’s format and/or display characteristics consistent with this license and the requirements of applicable technologies (for example: software upgrades, platform revisions, migration needs, or other changes) as determined by NKU at its sole discretion. Such changes would not ordinarily alter substantive content but would solely reshape its formatting and support long-term viability and preservation.
2. You represent and warrant that you have full and sole authority to enter into this license and that the Work contains no audio, video, programming, textual material, information, or other content that (1) defames a third party, (2) violates any understanding or agreement between you and another party, including confidentiality requirements or the party’s desire to remain anonymous, or (3) infringes any intellectual property rights, including copyright, patent, trademark, trade secret or other rights of a third party, (4) and otherwise complies with all applicable laws. You also represent and warrant that you have included any copyrighted materials in the Work with written permission of the rights holder or in compliance with a “reasonable and good faith” application of fair use as articulated in 17 U.S.C. §107 of United States copyright.
3. You agree to hold NKU harmless and to indemnify NKU for reasonable attorney fees, costs, and damages in the event of a claim or allegation arising from violations of clause 2.

4. You as Author acknowledge that NKU may remove or otherwise disable the submission for allegations of infringement or other occurrences, or due to circumstances beyond NKU's control and that NKU makes no warranties whatsoever regarding the institutional repository program or whether the Work will be included in it.
