

## **Remove SAP GUI Security Question**

## Location(s): myNKU $\rightarrow$ SAP GUI

**Purpose:** Perform these steps if you are continually asked to allow access to SAP GUI from myNKU while working on a PC.

- 1. Log into myNKU.
- 2. Select the SAP GUI tab.
- 3. Select SAP GUI for Windows.

4. Select Open.

Do you want to open or save <b>tx.sap</b> from <b>mynku.nku.edu</b> ?					
	Open	Save	•	Cancel	

5. Select Allow this one time from the dropdown.

Rev: 10/28/2015

©2015 Office of Information Technology

6. When on the Easy Access screen, click Customize Local Layout on the standard toolbar.

7. Select Options...

8. Expand the Security settings by clicking the triangle to the left of the Security folder.
